COST

Ultimate EDGE Upgrade

\$995.00

- Includes Accounts Payable, Payroll, & Purchase Order Applications
- Print PO's directly from USASWeb using the XML files for a more efficient process
- Email PO's directly to the vendor and/or originator.
- Image Creation for archival, paperless copies, and email delivery of documents
- Zip Print feature for one step seamless printing from state software.
Zip Print eliminates the Initialize-Load-Print Steps.
- Print files are automatically loaded. It is no longer necessary to select the account or check type.
- AP Copies now print automatically along with the checks.
- ACH Electronic Payments Module. Integrated with USAS. Allows you to print checks and create electronic payments at the same time (Optional)
- ACH payment remittance notifications are sent via email with ACH Payment Module
- iBridge links images to records retention storage systems for archival (Optional)
- New print fonts and templates enhance the appearance of all documents
