Whereas, the Galion City School District (School District), is a member of the Metropolitan Educational Council (MEC), which is a Council of Governments organized pursuant to Revised Code Chapter 167 and,

Whereas, MEC has advertised, on behalf of its school district members for the receipt of bids for the purchase of certain commodities in compliance with the MEC Specifications for Dairy Products dated March 14, 2014 (the "commodities"), and,

Whereas, Dairy Enterprises (Smith Dairy) (Vendor) has offered to sell commodities to the School District in accordance with the MEC specifications,

Now therefore, the School District, MEC and the Vendor agree as follows:

1. Vendor agrees to sell to the School District the commodities in such amounts as may be requested by the School District in accordance with the MEC specifications which are incorporated by reference into this agreement as if fully re-written herein.
2. Payment for commodities purchased under this Agreement shall be the sole responsibility of the School District and MEC shall have no obligation to pay any charge based on any School District purchase under this agreement.
3. Vendor shall be notified in writing of any defect in service or product and shall have 30 days to correct the defect. In the event that any such defect has not been corrected the School District or MEC on behalf of the School District may terminate the contract upon written notice of termination to the Vendor. Termination shall not limit the right of the School District or the MEC to any claim for damages that may be otherwise available.
4. Upon approval by all parties, this agreement shall remain in effect for the period from August 1, 2014 to and including July 31, 2015.
