Information & Technology Collection - supplement

**FORM 7540.03 F1 - STUDENT TECHNOLOGY ACCEPTABLE USE AND
SAFETY AGREEMENT**

The substantive changes in this Form include the following:

1. Reference to the definition of Technology Resources in Bylaw 0100 is added in the first paragraph.
2. The term "Technology Resources" is capitalized throughout to indicate that it is a term of art for which there is a specific definition applicable to the District's policies.
3. On page 2, to be consistent with Policy 7540.02, we added a reference to webpage, site, service or app in the final optional language, in recognition that students may have a proprietary right in the creation/development of such pages/sites/services/apps that are hosted on Board-owned or District-affiliated servers.

REVISED FORM - TECHNOLOGY UPDATE – PHASE III**STUDENT EDUCATION TECHNOLOGY ACCEPTABLE USE
AND SAFETY AGREEMENT**

To access and use the District's Education Technology **Resources** (see definition in Bylaw 0100), including a school-assigned e-mail account and/or the Internet at school, students under the age of eighteen (18) must obtain parent permission and sign and return this form. Students eighteen (18) and over may sign their own forms.

Use of the Education District Technology Resources is a privilege, not a right. The Board of Education's District's Education Technology Resources, including its computer network, Internet connection and online educational services/apps, are provided for educational purposes only. Unauthorized and inappropriate use will result in loss or cancellation of this privilege and/or other possibly further disciplinary action.

The Board has implemented technology protection measures ~~that, which~~ protect against (e.g., block/filter) Internet access to visual displays/depictions/materials that are obscene, constitute child pornography, or are harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication, and/or services on the Internet that the Board has not authorized for educational purposes and/or that they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. **Students using District Technology Resources are accessing the Internet through the school's computers assume personally responsible liability and liability, both civilly and criminally, for unauthorized or inappropriate use of the Resources Internet.**

The Board has the right, at any time, to access, monitor, review and inspect any directories, files and/or messages residing on or sent using **District the Board's Education Technology Resources**. Messages relating to or in support of illegal activities will be reported to the appropriate authorities. Individual users have no expectation of privacy related to their use of the **District's Education Technology Resources**.

Parent/Guardian

As the parent/guardian of this student, I have read the Student Education Technology Acceptable Use and Safety Policy and Guidelines, and have discussed them with my child. I understand that student access to the Internet is designed for educational purposes and that the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minors. However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I will not hold the Board (or any of its employees, administrators or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet - i.e., setting and conveying standards for my daughter/son to follow when selecting, sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations.

- []** To the extent that proprietary rights in the design of a web **page**, site, **service or app** hosted on Board-owned or **District-affiliated** leased servers would vest in my child upon creation, I agree to assign those rights to the Board.

Please check each that applies:

- ☐ I give permission for the Board to issue an Internet/e-mail account to my child.
- ☐ I give permission for my child's image (photograph) to be published online, provided only his/her first name is used.
- ☐ I give permission for the Board to transmit "live" images of my child (as part of a group) over the Internet via a web cam.
- ☐ I authorize and license the Board to post my child's class work on the Internet without infringing upon any copyright my child may own with respect to such class work. I understand only my child's first name will accompany such class work.
