Re: Change of Job Title

School Board of Galion City Schools

Please accept this as my resignation from the position of Director of Academics contingent upon my appointed to the position as Galion Middle School Principal. This will be effective on July 31, 2018 once I am appointed as principal of Galion Middle School.

This is done with the agreement between myself and the Superintendent, James Grubbs, that I will also continue to support the district in the role of Director of Federal Programs and continue to direct and monitor online schooling for the district.

While I have enjoyed working in my current role I am extremely excited to take on this new position within the district with an overall goal of improving the educational experience and achievement for our middle school children.

Sincerely,
