5610.03 - EMERGENCY REMOVAL OF STUDENTS

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on school premises, then the Superintendent, principal or assistant principal may remove the student from curricular activities or from the school premises. A teacher may remove the student from curricular activities under the teacher's supervision, but not from the premises. If a teacher makes an emergency removal, the teacher will notify a building administrator of the circumstances surrounding the removal in writing, as soon as practicable, within one (1) school day. Because such removal is not subject to the normal suspension and expulsion procedures, ~~No~~ prior notice or hearing is required for any removal under this policy. ~~In all cases of normal disciplinary procedures where a student is removed from a curricular activity for less than one (1) school day and is not subject to further suspension or expulsion, the following due process requirements do not apply.~~

~~If the emergency removal exceeds one (1) school day, then a~~ A due process hearing will be held ~~within three (3) school days on the next school day~~ after the removal is ordered. Written notice of the hearing and the reason for the removal and any intended disciplinary action will be given to the student as soon as practical prior to the hearing. If the student is subject to out-of-school suspension, the student will have the opportunity to appear at an informal hearing before the principal, assistant principal, Superintendent or designee and has the right to challenge the reasons for the intended suspension or otherwise explain his/her actions. Within one (1) school day of the decision to suspend, written notification will be given to the parent(s)/guardian(s) or custodian of the student ~~and Treasurer of the Board of Education~~. This notice will include the reasons for the suspension, the right of the student or parent(s)/guardian(s) to appeal to the Board or its designee and the student's right to be represented in all appeal proceedings. If it is probable that the student may be subject to expulsion, the hearing will take place ~~within three (3) school days on the next school day after the date of the initial removal~~ and will be held in accordance with the procedures outlined in the Policy 5611 – Due Process Rights. The person who ordered or requested the removal will be present at the hearing.

A student in any of grades pre-kindergarten through 3 may be removed only for the remainder of the school day, and shall be permitted to return to any curricular and extra-curricular activities on the next school day (following the day in which the student was removed or excluded). When a student in any of grades pre-kindergarten through 3 is removed and returned to his/her curricular and extra-curricular activities the next school day, the Principal is not required to hold a hearing (or provide written notice of same).

The Principal shall not initiate suspension or expulsion proceedings against a student in any grades pre-kindergarten through 3 who was removed unless the student has committed one (1) of the following acts:

1. The student brings a firearm or knife capable of causing serious bodily injury to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board. Similarly, the Principal can initiate suspension or expulsion proceedings if the student possesses a firearm or knife capable of causing serious bodily injury at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board.
2. The student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act: 1) would be a criminal offense if committed by an adult; and 2) results in serious physical harm to person(s) as defined in R.C. 2901.01(A)(5), or to property as

defined in R.C. 2901.01(A)(6).

3. The student engages in behavior of such a nature that suspension or expulsion is necessary to protect the immediate health and safety of the student, the student's fellow classmates, the classroom staff and teachers, or other school employees.

If the Superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request and will be given written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of the misconduct is disposed of either by reinstatement, suspension or expulsion.
