5610.02 - IN-SCHOOL DISCIPLINE

It is the purpose of this policy to allow for an alternative to out-of-school suspension. The availability of in-school discipline options is dependent upon the financial ability of the Board of Education to support them.

In-school discipline will only be offered at the discretion of the building principal for offenses found in the Student Code of Conduct/Student Discipline Code.

The Superintendent is to establish administrative guidelines for the proper operation of such programs. As long as the in-school disciplinary alternatives are served entirely in the school setting, they will not require any notice, hearing or appeal rights. Any student who is issued an in-school disciplinary assignment shall serve such assignment in a supervised learning environment within the school setting and shall be permitted to complete any classroom assignments missed because of the in-school discipline.
