**Habit #6-Synergize**

Together is better

- ✓ Students get along well with other people and work well in groups.
- ✓ Students value the strengths of others and allow themselves to learn from them.
- ✓ Students know that working together as a team can get more done and come up with better solutions than being alone.

On the evening of February 14th – GMS 6th Grader Jillian Capretta participated in the Tri-County Spelling be held at Mid-Ohio ESC. That evening 36 of the top spellers from Crawford, Morrow, and Richland Counties came together to compete.

Jillian tied for 5th place overall going out in the fourth round. She successfully spelled “zipper”, “Romeo”, and “celestial”. She was eliminated on one of the hardest words of the evening – “anathema” – which means something or someone that one vehemently dislikes.

We are very proud of Jillian and hope she has another opportunity to compete again.
