This policy applies to the use of any form of crowdfunding utilizing an online service or website-based platform for the financial benefit or gain of the District – be it a specific classroom, grade level, department, school, or curricular or extracurricular activity. ~~“Crowdfunding” refers to a campaign to collect typically small amounts of money from a large number of individuals to finance a project or fundraise for a specific cause. Through the use of personal networking, social media platforms, and other Internet-based resources, funds are solicited or raised to support a specific campaign or project.~~

“Crowdfunding” is defined as the solicitation of resources from individuals and/or organizations to support identified activities or projects that enhance the educational program or a specific cause approved by the District. The solicitation is typically from a large number of individuals/organizations utilizing internet-based technologies.

Crowdfunding activities aimed at raising funds for a specific classroom or school activity, including extracurricular activity, or to obtain supplemental resources (e.g., supplies or equipment) that are not required to provide a free appropriate public education to any students in the classroom may be permitted, but only with the specific approval of the Superintendent.

All approved crowdfunding activities shall protect the privacy of students, children, and young adults in accordance with District policies and administrative guidelines and applicable State and Federal law, including FERPA and IDEIA.

Materials, supplies, equipment, and other proceeds of the crowdfunding activity shall become property of the District or school. Cash or equivalent payment to District personnel is prohibited. All fiscal transactions shall comply with appropriate District policies.
