EMIS SERVICE AGREEMENT

The North Central Ohio Computer Cooperative (NCOCC) agrees to provide EMIS services to the Galion City School District for a period from July 1, 2020 through June 30, 2021. In compensation for such services, the Galion City School District agrees to pay NCOCC at the rate of forty-eight dollars (\$48) per hour. Hours will be purchased in blocks of time representing ten (10) hours at a cost of four hundred and sixty dollars (\$480) or may be paid for in a mutually agreed upon format.

The Galion City School District may purchase time at the request of the District Superintendent or the District Treasurer or their designee with the approval of the NCOCC Executive Director. A purchase order will be required in advance of any services to cover blocks of time purchased. If blocks of time are purchased, any unused hours in the concluding month of this contract may be carried over to the following contracted year but there will be no reimbursements for unused hours should the contract fail to be renewed. NCOCC will be responsible for maintaining records for hours worked and will provide those to the Galion City School District upon request. Either party may cancel the terms of this contract with sixty days notice.

The following represents specific services that will be included in fulfillment of this contract. Additional services may be requested and agreed upon by both parties during the life of the contract:
