# USDA FOOD PROGRAMS IN SCHOOLS

All funding comes from the USDA, United States Department of Agriculture + minimal state funding and cash revenue from student and adult receipts. No local funds the food service program.

**National School Lunch Program - (NSLP)** - Provides breakfast, lunch and snack for grades K-12.

**Summer Food Service Program - (SFSP)** - Provides free meals during summer for all children ages 1 to 18. Must have area eligibility of 50% or higher free & reduced student population.

**Seamless Summer Option - (SSO)** - Similar to the SFSP, but lower reimbursement rate and less paperwork.

# USDA FOOD PROGRAMS IN SCHOOLS

**Special Milk Program - (SMP)** - Reimburses the cost of milk for students with no access to lunch such as split day preschool.

**Child and Adult Care Food Program - (CACFP)** - provides breakfast, lunch, snacks, or supper to children ages 0-5 and adults in facility care centers.

**Fresh Fruit and Vegetable Program - (FFVP)** - Provides fresh fruit and fresh vegetables to students during the school day, cannot be offered at breakfast and lunch.

**USDA Food Program (Commodities)** - Provides 100% American grown and produced foods for schools and institutions in the above programs.
