GALION CITY SCHOOLS

Transportation Department

- Sub Driver Bob Staley
- New Images for Attracting Interest

- Holidays and snow days off throughout the year
- Making a positive difference in the lives of our students
- Galion has a new bus garage right on campus
- Driving a school bus is fun and a lot easier than one would think
- Starting a bus driving career as a substitute is a great way to experience the district, routes and students

FOR GCS AS DESCRIBED BY OUR CURRENT TRANSPORTATION TEAM:

- Bus drivers have a split shift (morning and afternoon routes) so there is flexibility to fill your day with other opportunities - inside or outside of the district
- The opportunity to drive teams to sporting events it's a great way to earn extra money and see our students compete for free
- Administration shows support for the drivers and genuinely cares for our staff and students
- Full-time drivers have the summers off and get health benefits

- Driver Coverage
- Possible New Driver
- Positive Post Cards

We had a better bus ride because of you!

Thank you for your respect and integrity!

- Plans for Educating Students
- Routes for Next Year
