

GALION TIGERS ATHLETIC PARENTS & ATHLETES HANDBOOK

The purpose of this handbook is to define the athletic policies and procedures of Galion City Schools. The success of the athletic program depends upon the understanding, teamwork, and cooperation of administration, staff, athletes, and parents in carrying out the athletic policies. In addition to the local policies as defined in this handbook, Galion City Schools' athletics are governed by the rules and regulations of the *Ohio High School Athletic Association*.

ATHLETIC PHILOSOPHY: Athletics are a part of the extra-curricular educational process of Galion City Schools, serving as an arena for learning. We strive to have each student-athlete enjoy a positive experience while developing competitive teams. Within this framework, the participation of all student-athletes is encouraged, without compromising that competitive nature. They will learn to appreciate teamwork and how to deal with coaches, referees, opponents, peers and themselves.

All students are encouraged to become involved in athletic endeavors. We offer twenty-three different types of athletic activities. To be an athlete at Galion High School is to accept the added responsibility of representing our school and community at the highest level of honor, integrity, effort and sportsmanship. Your participation in our athletic programs indicates and acceptance of this obligation. We have tremendous PRIDE in our teams and teammates. You must never do anything that would lessen or lower the great PRIDE we have for our school and community.

CONFLICTS IN EXTRACURRICULAR ACTIVITIES: The Galion Athletic Department recognizes that each student should have the opportunity for a broad range of experiences in the area of extracurricular activities and to this end will attempt to schedule events in a cooperative manner to minimize conflicts.

The student has a responsibility to do everything they can to avoid continuous conflicts.

This might include participating in only one athletic activity each sport season and being cautious about belonging to too many activities where conflict may occur. It also means notifying all advisors/coaches ***well in advance*** of any potential conflict in activities.

A performance (athletic event, contest, play, concert, etc.) normally has priority over any practice or rehearsal. Two events of equal value conflict, the student may participate in the event of his/her choice without fear of penalty or consequence. Should a conflict arise, the advisors/coaches will meet to work out a solution so conflict is minimal. If the parties are not able to create a solution, the athletic director and building principal will make the decision based upon:

- Relative importance of each event.
- Importance of each event to the student.
- Relative contribution the student can make.
- Parental input.

COMMITMENT TO PARTICIPATE: An athlete who quits a sport after the official start of the respective sports season (as defined by the OHSA) or after “athletic cuts” or if removed from the team for rules violations will be unable to participate in any sports program until the sport he/she quit has completed its season, forfeit any awards for that sports, and return all issued equipment, uniforms, etc. Being unable to participate as a result of quitting or being removed from a team includes but is not limited to any conditioning, open gyms, practices, scrimmages, games, etc. that is in preparation for another athletic program and/or as a member of another in-season program. However, a variance of this rule may be granted given unusual circumstances and only with the agreement of all involved coaches and the Athletic Director.

TWO-SPORT PARTICIPATION: The demands on Varsity Athletes are very high. Athletes must be committed and dedicated to a sport in order to be successful. An athlete *may* have the opportunity to participate in two sports in the same season. The Athlete must have approval from the Athletic Director and **BOTH** head coaches of the sports of interest. The Athlete must also complete the two-sport participation agreement form. Athletes who are able to participate in two sports in the same season are the exception, not the norm.

CUTTING POLICY: All reasonable attempts will be made (particularly at the sub-varsity level) to forego the cutting of squad members. However, in certain sports, limitations related to facilities, equipment, and manageable numbers may make it necessary to limit the number of participants.

ANTI-HAZING: Hazing can be described as any incident or activity that may or may not cause mental or physical harm to a student looking to join an organization. Informal and unofficial acts of initiation are strictly prohibited. Hazing is not about "earning your way in" or "building loyalty and teamwork." It is about exerting control over another human being. Hazing violates Galion School Board policy & Ohio State law. Coaches and student-athletes are reminded to prevent and/or report all incidents of potential hazing.

PROCEDURES FOR INJURIES AND ILLNESS: When an athlete has been the victim of an illness or an injury, which requires professional medical attention, the athlete shall not be permitted to return to practice or participation until written permission from his/her doctor is received by the trainer/head coach.

PARENT COMMUNICATION WITH YOUR CHILD:

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.

- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful but don't coach them. It is difficult for a child to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition and the hard work it takes to improve their skills and attitudes.
- Try not to relive your athletic life through your child in a way that creates pressure.
- Children need their parents at all times, so do not withdraw when they are struggling. If they are comfortable with you win or lose, then they are on their way to maximum enjoyment.
- Don't compete with the coach. If children receive mixed messages from different authority figures, they may become disenchanted.
- Don't compare the skill, courage or attitude of your child with other team members.
- Get to know the coach. Then you can be assured that the philosophy, attitude, ethics and knowledge are such that you are happy to have your child under the coach's leadership.
- Remember that children tend to exaggerate, both when praised and criticized. Temper your reaction and investigate before overreacting.

PARENT COMMUNICATION YOU SHOULD EXPECT FROM YOUR CHILD'S COACH:

- Philosophy of the coach.
- Expectations of team members.
- Time and Location of all practices and contests.
- Team requirements. (fees, equipment, fundraisers, off-season conditioning)
- Procedures for injuries.
- Discipline that result in your child's denial to participate.

COMMUNICATION COACHES EXPECT FROM PARENTS:

- Notification of all schedule conflicts in advance.
- Issues in personal life that may affect the student.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES:

- The treatment of your child, mentally and physically.
- Ways to help your child improve.
- Concerns about your child's behavior.

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES:

- Playing Time.
- Team Strategy & Play Calling.
- Other student-athletes.

APPROPRIATE PROCEDURE FOR DISCUSSING CONCERNS WITH COACHES:

- Call to set up an appointment with the coach.
- Do not confront a coach before or after a contest or practice.

WHAT IF THE MEETING WITH THE COACH DID NOT PROVIDE A RESOLUTION?

- Call to set up an appointment with the Athletic Director Kyle Baughn 419-468-6500 Ext 12003 and determine the appropriate next step.

NOTE: Anonymous social media posts, emails, letters, etc. will not receive a response. Please call and discuss any concerns.

ATHLETIC CHAIN OF COMMAND:

- 1) Appropriate Level Coach
- 2) Head Coach
- 3) Athletic Director
- 4) Principal
- 5) Superintendent
- 6) Board of Education

With any question or complaint, a parent should always start with the individual coach. If there is a problem, an explanation can be best handled at this basic level directly with the person who may have been involved or who has first-hand knowledge of the situation.

Going immediately to the top of the chain is ineffective. Chances are very good that any individual above the level of the misunderstanding, problem or complaint will not know anything about it. This means that this person would first have to speak with the individual below them on the chain to get the particulars in order to understand what had occurred.

PARENT/SPECTATOR CONDUCT: Parents and any other spectators are expected to behave appropriately while in attendance. They are expected to allow the coach to coach the players and remain positive to all players, coaches, referees and fans of both teams in attendance. Please report any acts of inappropriate behavior to the athletic director or principal. Unacceptable fan behavior may result in the fan's removal and a denial of admission to future contests for at least two weeks and a minimum of two athletic contests.

SPECTATOR PHOTOGRAPHY & VIDEO TAPING: Spectators taking photographs or videos may not interfere with the view of this contest by other spectators, nor may they take additional space in seats. In addition, all photographs and videos taken by spectators at this event are for personal use **ONLY**.

The use of photographs or videos for commercial sale must be approved by the School Board and a portion of all sales must be donated to the school. These photographers must submit a BCI/FBI background check to the school.

- Members of the press are excluded from this requirement as long as they present their press credentials.
- The Galion City Schools reserve the right to remove offenders, invoke additional penalties and to see maximum legal recourse against violators of these regulations.

SPORTSMANSHIP AND SOCIAL MEDIA: Sportsmanship extends to the social media environment as well. Students, coaches, and fans should not engage in derogatory exchanges over the Internet, text messages, or other avenues. Such actions are strictly prohibited and will be treated in the same way as unsportsmanlike behavior at an athletic contest.

SENIOR NIGHTS: The Athletic department formally recognizes our senior athletes, parents & coaches twice a year. Fall sports are usually recognized before the first home football game & Winter sports are recognized before a home varsity Basketball game. Due to scheduling demands and constraints, there is not always an official spring sport senior night. Teams may & should recognize their seniors/parents in ways unique to their sport. Coaches should communicate and assist parents with these celebrations. Senior Athletic Banners are the sole responsibility of the individual Teams.

OHSAA TOURNAMENT PARTICIPATION: When athletes qualify for advanced tournament competition, the athletic department will cover admission for the contest & room expenses for the qualifier. The Athletic department will also cover room expenses for the coach. In addition, one teammate may also be excused to accompany the qualifier. Those teammates who did not qualify will be required to cover their own expenses. Students will be excused from school for practice and competition that is customary for the particular sport. The parent club will be responsible for all meal expenses.

BANQUETS/AWARDS: All banquets and award ceremonies will be conducted by the Head Coach of each sport at a site approved by the Athletic Director. Each sport will be responsible for the cost of the banquet. Please check the school calendar and coordinate the banquet scheduling through the Athletic Director. The Athletic Department supplies participation certificates for all athletes and G-trophies/letter awards for Varsity Athletes only.

Awards held for Athletes with outstanding uniforms and equipment.

The Athletic department also supplies Team league championship patches & Individual State Qualifier pins. Individual Top 2 & Team top 4 State Finishes are celebrated with High School gym banners.

If an Individual Athlete earns **1st Team** MOAC the Athletic department will pay for their and 2 guests' meal at the MOAC Banquet. The Athletic Department also covers the Coach of the athlete to attend.

If an individual Athlete or Team earns All-Ohio Board honors, then they will be invited for recognition by the Galion City School Board.

GALION HIGH SCHOOL ALL-OHIO BOARD CRITERIA: We are very proud of and support all Athletic Teams & Clubs. Galion High School Varsity Teams are recognized on the All-Ohio Board. Many other clubs/groups award National & State honors, but they are not eligible for the Galion High School All-Ohio Board honors.

1. Team Sport athletes must earn 1st Team All-Ohio to be recognized. All-Ohio honors are determined by the OHSAA voting process.
2. Individual Sport athletes must earn Top 8 All-Ohio podium honors. All-Ohio honors are determined by an OHSAA sponsored State Championship.

BUS TRANSPORTATION: It is school policy for all athletes to ride the bus to and home from away games. However, from time to time students will ask to go home with their parents. ***This can only be done in unusual circumstances and with a note from the parent. The note needs to be brought to the office and approved by the Principal or Athletic director. Once approved, the student is responsible for delivering it to the coach. Athletes must leave with parents or a guardian.***

- No food or drink allowed on the bus.
- No spikes or cleats are to be worn on the bus.
- The driver will open and close all doors.
- Appreciate the bus drivers, teams can't compete without them.

EARLY RELEASE OF STUDENT ATHLETES: The education of our students is always our top priority. It is the responsibility of each student to make-up work missed and talk to their teachers.

College Credit Plus Student Athletes are responsible for communicating with their instructors any athletic conflicts with classes. It is critical that these students be proactive with meeting deadlines & making up work.

SERVICE: Galion athletic teams are serious about serving and giving back to the community. There are a number of ways that athletes can provide community service. Please make sure Athletes log & report hours served.

GAME FIELDS: The Galion Football, Soccer, Baseball & Softball game fields are a great source of pride for our schools and community. The Galion Board of Education is committed to maintaining high quality fields for our kids and has contracted Front & Center turf to assist with this. The fields are treated year-round and any use of the game fields must be coordinated with the Athletic Director. Unauthorized use of the fields may put kids at risk with chemicals and/or put the field at risk of damage due to over use.

BOOSTER CLUB: Parents are encouraged to join the Booster Club and attend meetings, which are held on the 3rd Monday of each month at the high school. The Booster Club controls all concessions and potential fundraisers during athletic contests.

UNIFORMS: Galion is a NIKE school. All uniforms must be purchased through our NIKE representative. The Athletic Department & Booster Club partnered to help provide uniforms to teams. Each team is guaranteed uniforms once every 4 years.

**Individual Team Fundraisers & Parent Groups are responsible for any additional cost above the budgeted amount.*

RANDOM DRUG TESTING: All students wishing to participate in athletics, extra- and co-curricular activities, or drive/park on the Galion City School District property will be subject to urine testing for illicit or banned substances as specified in the Procedures for Random Urine Drug Testing of Galion City School District Students. This policy can be found on the Galion City Schools District Website, or a paper copy may be obtained by contacting the Galion High School Office.

ATHLETIC DEPARTMENT TRAINING RULES: The Galion City School System recognizes the use and abuse of chemicals among students is a serious problem. The use of tobacco, drugs, and alcohol has harmful effects on students' mental, physical, and emotional health. Great demands are placed on our youngsters while influences and pressures are constantly present. Galion High School Student Athletes are expected to use good judgment and not attend activities where alcohol and other drugs are present.

The coaches and administration of the Galion City Schools believe certain standards of behavior are important in the development of a sound athletic program. Students who voluntarily participate on an athletic team are expected to accept the responsibilities that accompany this privilege. **Choosing to play is a commitment to obey the rules.**

EXTRA- and CO-CURRICULAR CODE OF CONDUCT: In addition to guidelines set down by individual coaches/advisors for particular sports/activities, the following are code of conduct rules for all Galion participants in effect 365 days a year: Administrators reserve the right to amend consequences due to extenuating circumstances.

For example, if the violation occurs the last week of a season or activity, the penalty will continue throughout the existing season and into the next season or activity. A student enrolled in the first grading period after advancement from the eighth grade meets the same criteria

EXCEPTION: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season.
