8120 - **VOLUNTEERS**

The Board of Education recognizes that certain programs and activities can be enhanced through the use of volunteers who have particular knowledge or skills that will be helpful to members of the professional staff responsible for the conduct of those programs and activities.

The Superintendent or Designee shall be responsible for recruiting community volunteers, reviewing their capabilities, and making appropriate placements. The District shall not be obligated to make use of volunteers whose abilities are not in accord with District needs.

Volunteers for Athletic Activities

Volunteers who direct, supervise, or coach a student activity program that involves athletics, routine or regular physical activity, or activities with health and safety considerations may be required to obtain a pupil activity permit issued by the Ohio Department of Education (ODE). As provided in ODE guidance, the District shall determine which staff members need to have a permit. However, in accordance with OHSAA General Regulations, coaches, paid and/or volunteer, in grades seven (7) through twelve (12) who do not possess the Pupil Activity Program/Coaching Permit shall not be permitted to coach at any level at an OHSAA member school. Such qualifications shall include completion of a sudden cardiac arrest training course approved by the Department of Health. In accordance with R.C. 3319.303. The qualifications shall also include completion of a student mental health training course approved by the Department of Mental Health and Addiction Services. The mental health training course may be combined with or part of another training course. Such training must be completed each time the individual applies for or renews a Pupil Activity Program Permit. Individuals who have applied for a Permit but who have not yet been issued a valid credential shall not be permitted to interact with athletes, even under the supervision of a credentialed coach, until the Pupil Activity Permit number is formally issued.

These volunteers will submit to a background check and take courses as may be required by the Ohio Department of Education.

The cost of obtaining the permit will be at the volunteer's expense.
