

STUDENT & STAFF ACHIEVEMENT

December 2023

- GPS - Preschoolers performed in their annual Christmas concert
- GPS - Held family literacy night-literacy activities, cookie decorating, caroling
- GPS - Continues their rewards for perfect attendance each month and gave away a family fun pack to Altitude
- GIS - Makerspace students had an intro to architecture with Keva blocks. 3rd graders built a living room and skyscraper, 4th graders created a pirate ship and an elephant and 5th graders constructed a cargo ship and a vehicle
- GIS - 5th graders participated in a bird house making project
- GIS - 5th grade choir took a trip to Grace Episcopal Church in Mansfield to sing carols
- GIS Lighthouse Leadership Team sold candy canes to fundraise for their future projects
- GMS - 6th, 7th and 8th grade bands participated in their winter concert
- GMS student lighthouse team raised a little over \$600 for their toy drive, partnering with Kiwanis and Connity Action to then volunteer their time filling Christmas wishes for local children!
- GMS choir students performed as part of the Come Home to Galion festivities
- GMS - 8th grade monthly habit winners were recognized - "First Things First"
- GHS - Government class had the opportunity to visit the Moyer Judicial Center in Columbus
