X. Service Level Agreement – Problem Escalation

NCOCC/H-COG organization will have an individual available from 7:00 am until 4:30 pm Monday through Friday to respond to user requests. When possible, service requests should be submitted via Email to the service group or individual. When contacting a service group, requests can be handled by anyone in the service group, and scheduled activities away from the office and other absenteeism will help to minimize the timing of a response to your request. In your Email request, it would be helpful if you were to indicate the urgency of your request so that it can be prioritized when there are multiple requests requiring research efforts by the staff.

While all members of the NCOCC/H-COG staff try to respond in a timely and professional manner, sometimes requests can be forgotten and/or overlooked. If you do not get a response from your Email request in a timeframe acceptable to you, feel free to contact the service group by telephone. If you are still not receiving the answer you need, ask to speak to the Executive Director (Bill Swartzmiller).

Following is a listing of the various service groups, their group Email addresses, the names and Email addresses of the group supervisors, and their areas of responsibilities.
