AGREEMENT BETWEEN GALION CITY SCHOOLS AND NORTH CENTRAL STATE COLLEGE

North Central State College (NC State) and Galion City Schools (School) (individually referred to as a “party” or collectively referred to as the “parties”) agree to enter into a school-college partnership to provide higher education opportunities to qualified learners within the district. These opportunities will be provided by making available college courses through the College Credit Plus Advanced Standing Program (ASP). College Credit Plus (CCP) is a State of Ohio program which enables Ohio high school students to enroll in public colleges, such as NC State, on a full or part-time basis and complete non-sectarian, non-remedial courses for post-secondary credit or for high school and post-secondary credit. This program is not intended to be a substitute for the academic programs and other educational experiences offered by Ohio’s high schools. This agreement is governed by and subject to Ohio Revised Code Chapter 3365. This partnership is agreed to for the purpose of challenging learners with rigorous academic work and to increase the number of students who are prepared for, enroll and succeed in higher education opportunities of their choice. This agreement is based on the assumption that current State of Ohio funding patterns will remain beneficial to all parties and that there is adequate student enrollment and school district participation.

I. CCP courses may be delivered under this Agreement in one of four ways:

- a. College Based (CB) – a course delivered on one of NC State’s campuses, at another location operated by NC State;
- b. College Taught (CT) – a course delivered at a secondary school in the School’s district and taught by NC State faculty. Unless otherwise agreed by the parties, CT courses will be held at the secondary school at no cost to NC State; and
- c. High School Based (HSB) – a course delivered at a secondary school in the School’s district and taught by a School high school teacher who has met the credential requirements and been determined by NC State to qualify as adjunct faculty. The course will use a syllabus, textbooks and examinations approved by NC State. The course also must have been approved by NC State as having equivalent content, learning objectives and outcomes, and work assignments as an on-campus college course. NC State will conduct at least one classroom observation per school year for each course that is authorized by NC State and taught by a high school teacher to ensure the course meets the quality of a college level course.
- d. College Based Online (CBO) – a course delivered online and taught by NC State faculty

I. NC State agrees to:

- a. Provide a mutually agreed upon schedule of ASP courses to be offered in the School’s district which will be reviewed and amended for each subsequent academic year as mutually agreed upon.

The parties will, however, use reasonable efforts to allow the School’s then dual enrolled students to continue in the ASP until the last student completes or ends participation in his/her dual enrolled course(s), or as otherwise mutually agreed to by the parties. Should any other unexpected event cause a need to address the viability of this Agreement, the parties agree to work toward a mutually acceptable resolution. This section is not meant to limit other rights of the parties to terminate this Agreement.

VII. Term and Termination of Agreement

- a. The term of this Agreement shall begin the date the Agreement is fully executed by authorized representatives of the parties and, unless earlier terminated, extend through June 30, 2018. Thereafter, the parties may execute, in writing, signed by authorized representatives of the parties, a successor agreement incorporating the same or similar terms as those set forth herein.

The effective termination date will be forty-five (45) calendar days from the date such notice is received by the non-terminating party, unless the term of this Agreement expires prior to the last day of the forty-five calendar days.
- c. In the event this Agreement is terminated, the School’s then dual enrolled students will be allowed to continue in the ASP until the student completes or ends participation in his/her dual enrolled course(s), or as otherwise mutually agreed to by the parties.

- a. Each party agrees to be responsible for any personal injury or property damage caused by the negligent acts or omissions by or through itself or its agents, employees and contracted servants and each party further agrees to defend itself and be responsible for those judgments and costs which arise from such negligent acts or omissions, and nothing in this Agreement shall impute or transfer any such responsibility from one to the other.
