#### 4120 - EMPLOYMENT OF CLASSIFIED STAFF

The Board of Education recognizes that it is vital to the successful operation of the District that positions created by the Board be filled with qualified and competent personnel.

The Board shall approve the employment, and also, when not covered by the terms of a negotiated, collectively-bargained agreement, fix the compensation and establish the term of employment for each classified staff member employed by the Board.

Relatives of Board members may be employed by the Board, provided a member of the Board does not participate in any way in the discussion or vote on the employment when a conflict of interest is involved.

Any classified staff member's intentional misstatement of fact material to his/her qualifications for employment or the determination of salary shall be considered by this Board to constitute grounds for dismissal.

The employment of classified staff members prior to approval by the Board is authorized when their employment is required to maintain continuity in District operations. Employment shall be recommended to the Board at the next regular meeting.

When appropriate, no candidate for employment as a classified staff member shall receive recommendation for such employment without having proffered visual evidence of proper certification/licensure or that application for such certification/licensure is in process.

Classified staff members also must pass a background check performed by the Bureau of Criminal Identification and Investigation (see Policy 4121).

The Superintendent shall prepare procedures for the recruitment and selection of all classified staff.
