

# STUDENT & STAFF ACHIEVEMENT

September 2023

- GIS - 3rd graders studied the Titanic, then printed the Titanic with a 3D printer
- GPS and GIS held their annual “Hello Week” festivities, centered around teaching inclusivity
- GIS - PBIS incentive-students can earn tickets for demonstrating the three “B’s” - be respectful, responsible and safe, and had the opportunity to browse the “store” where they can redeem their tickets
- GIS - 4th graders spent time outside reading during library special
- The district held Elementary night at the Varsity game in early September
- GMS - 7th grade design and modeling class-students collaborated to create a puzzle cube and instructions on how to solve it, going into a lot of detail and measurements with a goal of enlarging the pieces so an individual with special needs can utilize a larger version of the puzzle
- GHS students attended the Crawford Youth Drug-Free rally in Bucyrus
- GHS is hosting speaker Rushia Brown, WBNA player on Wednesday at 1:30PM
