5611 - DUE PROCESS RIGHTS

The Board of Education recognizes that students have limited constitutional rights when it comes to their education.

Accordingly, the Board establishes the following procedures which District Administrators shall use when dealing with students:

A. Student subject to suspension:

When a student is being considered for an out-of-school suspension by the Superintendent, principal, or another administrator:

1. The student will be informed in writing of the potential suspension and the reasons for the proposed action.
2. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and to explain his/her actions.
3. An attempt will be made to notify parents or guardians by telephone if a suspension is issued.
4. Within one (1) school day of the suspension the Superintendent, principal, or another administrator will notify the parents, guardians, or custodians of the student. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
5. Notice of this suspension will also be sent to the:
 - a. Superintendent;
 - b. student's school record (not for inclusion in the permanent record).
6. If a student leaves school property without permission immediately upon violation (or suspected violation) of a provision of the Student Code of Conduct/Student Discipline Code or prior to an administrator conducting an informal hearing as specified above, and the student fails to return to school on the following school day, the principal, assistant principal, Superintendent, or any other administrator, may send the student and his/her parent(s)/guardian(s) notice of the suspension, and offer to provide the student and/or his/her parents an informal hearing upon request to discuss the reasons for the suspension and to allow the student to challenge the reasons and to explain his/her actions, any time prior to the end of the suspension period.

Appeal of Suspension to the Board or its designee

The student who is eighteen (18) or older or the student's parent(s) or guardian(s) may appeal the suspension to the Board or its designee. They may be represented in all such appeal proceedings.

A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian if held before the Board.

The procedure to pursue such appeal will be provided in regulations approved by the Superintendent. Notice of appeal must be filed, in writing, with the Treasurer or the Superintendent within five (5) calendar days after the date of the notice to suspend.

While a hearing before the Board may occur in executive session, the Board must act in public.

Appeal to the Court

Under Ohio law, appeal of the Board's or its designee's decision may be made to the Court of Common Pleas.

B. Students subject to expulsion:

When a student is being considered for expulsion by the Superintendent:

1. The Superintendent will give the student and parent, guardian, or custodian written notice of the intended expulsion, including reasons for the intended expulsion.
2. The student and parent or representative have the opportunity to appear before the Superintendent or designee to challenge the proposed action or to otherwise explain the student's actions. The written notice will state the time and place to appear, which must not be earlier than three (3) school days nor later than five (5) school days after the notice is given unless the Superintendent grants an extension upon request of the student or parent.
3. Within one (1) school day of the expulsion, the Superintendent will notify the parents, guardians, or custodians of the student and Treasurer of the Board. The notice will include the reasons for the expulsion and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the expulsion to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within fourteen (14) calendar days after the date of the notice of expulsion. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.

Appeal of Expulsion to the Board

A student who is eighteen (18) or older or a student's parent(s) or guardian(s) may appeal the expulsion by the Superintendent to the Board or its designee. They may be represented in all such appeal proceedings and will be granted a hearing before the Board or its designee.

A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian if it is held before the Board.

The procedure to pursue such appeal will be in accordance with regulations approved by the Superintendent. Notice of appeal must be filed, in writing, within fourteen days after the date of the Superintendent's decision to expel with the Treasurer of the Board or the Superintendent.

While a hearing before the Board may occur in executive session, the Board must act in public.

Appeal to the Court

Under State law, the decision of the Board or its designee may be further appealed to the Court of Common Pleas.

C. Students subject to emergency removal:

Students whose conduct warrants emergency removal shall be dealt with in accordance with the rights and procedures outlined in Policy 5610.03 – Emergency Removal.

D. Students subject to permanent exclusion:

Students whose conduct is that for which permanent exclusion is warranted shall be dealt with in accordance with the rights and procedures outlined in Policy 5610.01 – Permanent Exclusion of Nondisabled Students.

E. Students subject to ~~suspension from~~ **losing bus riding/transportation privileges:**

Students whose conduct warrants ~~suspension from~~ **loss of** bus riding and/or transportation services shall be dealt with in accordance with the rights and procedures outlined in Policy 5610.04 - ~~Suspension~~ **Loss** of Bus Riding/Transportation Privileges.

In determining whether disciplinary action set forth in this policy is to be implemented, District Administrators shall use a preponderance of evidence standard. Further, any individual charged with making a disciplinary determination under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315 - Information Management (i.e. "Litigation Hold")) created and/or received as part of an investigation.

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State law (e.g., R.C. 3319.321) – e.g., student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

In addition, this statement of due process rights is to be placed in all student handbooks in a manner that will facilitate understanding by students and their parents.

These procedures shall not apply to in-school disciplinary alternatives including in-school suspensions. An in-school suspension is one served entirely in a supervised learning environment within a school setting. Nor shall these disciplinary alternative procedures apply to students who are prohibited by authorized school personnel from all or part of their participation in co-curricular, interscholastic, and/or noninterscholastic extracurricular activities.
