

GOVERNMENT FIELD TRIP PROPOSAL

What: Mrs. Watkins & Ms. Rietschlin would like to take the Junior & Senior government students to the Ohio Supreme Court House (Moyer Judicial Center). As students finish their study of Government this semester, they will have studied the US government as well as Ohio Government and Supreme Court Cases. This field trip will give them an opportunity to see where the elected officials work and it will give them a chance to see the content in the real world.

When: We would like to take students on Friday December 8th 2023. Ideally we'd like to leave the HS at 8:00 AM in order to tour the Supreme Court at 9:30. From there we will take students to lunch at a chosen restaurant and will return to the school around 2:00 PM

Cost: The Court House is free for educational tours, lunch would be self-pay. The only cost for the district is a single bus. We have been awarded a \$400 transportation grant from the Supreme Court of Ohio that will be paid to the district after the completion of the field trip.

Who: Juniors & Seniors enrolled in Government for the first semester who have an average grade of a C or higher for **both** quarters.
