

STUDENT & STAFF ACHIEVEMENT

May 2024 Newsletter

- District students enjoyed end of the year field trips and PBIS rewards like trips to the Zoo, Buckeye imagination museum, Cedar Point, Washington DC, East of Chicago, Lowe Volk Nature Center
- The district celebrated Right to Read week - GHS key club students read to 2nd graders, GIS students surpassed their goal of 30k pages, and their reward is Mrs. Heimann kissing a frog on the last day of school
- Preparing students for next year, 2nd, 5th and 8th graders visited their new buildings for next year, and GIS held "Future Friday" where 3rd and 4th graders rotated to meet all of their teachers for next year
- 5th graders met with the GMS counselor to work on scheduling, end of year reflections and leave some words of wisdom for next year's incoming 3rd graders
- GIS celebrated "Go Gray in May" to support our own students and all others who have been diagnosed with a brain tumor
- GMS held family game night, and celebrated their students with end of year awards and honor roll recognition
- GMS/GHS students performed their spring choir concert, and 5th-12th grade band students performed at the chicken bbq
- GMS Academic challenge team had their final competition for the year
- GMS - 6th graders went to the Crawford County Fairgrounds for the DARE rally
- Lots of academic activities highlighted-data collection and graphing, for 6th grade math students is just one example
- Galion Pioneer students Anthony Mallory and Jasmine Butterfield were celebrated for their offers to join the workforce - Anthony with AMC Masonry and Jasmine with Holiday Hair
