Welcome to Galion Middle School!

Education is not the filling of a pail, but the lighting of a fire. - William Butler Yeats

It is my honor to welcome you to Galion Middle School, where we believe every student can achieve and succeed. I am incredibly excited to begin the 2024-2025 school year and look forward to serving as the principal of Galion Middle School. While we embark on a journey to prepare scholars for high school and beyond, we remain committed to providing students with a safe environment, rigorous curriculum, and opportunities to showcase individual talents and interests.

To ensure a successful year, accountability and responsibility will increase among students and staff. This handbook will be followed as a guiding principle for academic obligations, behavior expectations, and dress code.

We look forward to working with each one of you this year. We invite and encourage our parents to partner with us to become active participants in your scholar's education because your support is vital to their success. If you wish for more information, please see our website at <https://www.galionschools.org/>.

Respectfully,

Tina Crim, Principal

Julie Murphy-Theodore, Assistant Principal

District Mission Statement

The Galion City Schools will prepare students with a rigorous education that enables them to be contributing members of the community. We provide a supportive, social-emotional safe, respectful environment that cultivates learners of tomorrow. Our guiding principle is Believe in yourself, Achieve your greatest potential, and Succeed in all aspects of life

The Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook for reference by you and your parents. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student but only reflects the current status of the Board's policies and the school rules as of the Board of Education approval date. If any policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of the current board policies are available on our website at <http://www.neola.com/galion-oh/>.

For clarification purposes, references to parent(s) are synonymous with custodial parent or legal guardian. Immediate family will include parents, brothers, sisters, and grandparents.

Middle School Mission Statement

The staff at Galion Middle School believes that learning should be an adventure that lasts throughout one's life. The individual who knows how to learn can solve problems, adapt to change, take an active role in the community, benefit from the past, and chart a course for the future. The students, parents, and staff of Galion Middle School, believing that everyone can learn, are partners in lifelong adventure.

Especially for Parents

You have been the teacher before the first word or the first step and will continue to be as long as you live. We're proud that you choose to live in the Galion School District and share your child's education with us. This handbook is a collection of information and guidelines that facilitate our role in educating our Galion Middle School students. It is

evidence of how seriously we take this responsibility. Communication is vital in our joint endeavor. Please read “Especially for Parents”, “Communication with Parents”, Key Communicators, school volunteers, conferences, grade reports, grading, www.galionschools.org, and the guide on whom to call for information. Thank you for your trust.

The "Philosophy of Middle Schools" on the next several pages provides the rationale for why we have established the procedures, rules, and regulations you just read about. Please take a few minutes to read through it.

Philosophy of Middle Schools

At Galion Middle School, we aim to create a community of learners to help develop the most appropriate education for our young people. Our teachers' knowledge, attitude, and effort are vital to helping students progress in their ability to read, write, listen, speak, think, and solve problems. We also aim to help students develop self-discipline, proper study habits, effective organizational skills, and ownership of their behavior and learning. When situations outside the school affect a child's education, the school is prepared to assist students and parents in making decisions that affect the student's educational progress.

Middle school is when students transition from childhood to adolescence. We believe that this stage in a child's development is unique and necessitates a supportive program that responds to the changes that adolescent children experience.

The Galion Middle School has adopted the philosophy outlined by The Association for Middle Level Education (AMLE). This philosophy is published in a position paper entitled; This We Believe, And Now We Must Act. The following excerpt from this document summarizes the foundation of the philosophy of the Galion School District for Middle Level Education:

The overarching purpose of all schooling in our society is to help students become good citizens, lifelong learners, and healthy, caring, ethical, and intellectually reflective individuals. The skills, knowledge, and personal competence that students acquire in school should enable them to be successful now and in the future. Middle level education is the segment of time that encompasses early adolescence, the stage of life between the ages of 10 and 15. In order to be developmentally responsive, middle level schools must be grounded in the diverse characteristics and needs of these young people. It is this concept that lies at the heart of middle level education. While grade configuration may be a consideration, the nature of the program provided for young adolescents, wherever they are housed, is the crucial factor.

Through school-wide, department, team, and grade-level meetings, the professional staff exchanges ideas to improve the scope, sequence, and articulation of each student's schooling. Teachers strive to match learning experiences and reinforcement activities with students' readiness at a given time, detect and resolve difficulties, and share with parents any concerns that may affect the child's learning or welfare.

The program emphasizes basic skill development and exploratory opportunities in middle schools. In addition, students are expected to increase their positive self-concepts and develop traits of good citizenship. The following goals summarize our efforts to help students make the successful transition from childhood through adolescence:

INTELLECTUAL DEVELOPMENT

Our goal is to provide opportunities for students to explore and develop their abilities in basic mathematics and the fundamentals of written and oral communication. Emphasis is placed on critical thinking processes, which include conducting research, translating and presenting findings, drawing conclusions, and making decisions.

AESTHETIC GROWTH

Our goal is to provide humanities experiences, encourage students to develop aesthetic and cultural appreciation and support students as they seek to confirm their personal development and value system.

SOCIAL DEVELOPMENT

Our goal is to encourage students to adopt a positive philosophy of life, develop respect for individual dignity, assume personal responsibility for their own actions, and understand and accept others.

EMOTIONAL GROWTH

Our goal is to provide support for students in learning to cope with their experiences, whether positive or negative, and to provide experiences that help students to better understand and accept themselves.

PHYSICAL DEVELOPMENT

We aim to provide students with the knowledge and skills to value and apply physical activity and its benefits for a lifetime. Through active participation in movement and sport, students will

foster an appreciation for personal fitness and other social skills vital to becoming healthy, productive community members.

EXTRACURRICULAR INVOLVEMENT

Our goal is to encourage students to participate in a variety of school-supported activities to support their development and establish positive relationships with peers.

CURRICULUM PHILOSOPHY

It is our aim to keep the curriculum current and engaging. The specific goals for our curriculum are:

- To develop a respect for learning
- To develop skills of communication and self-expression
- To develop the ability to see the relationship of ideas through the use of critical thinking, logic, and the scientific method
- To develop effective study and work habits
- To make all efforts to maintain an uninterrupted educational program
- To maintain high standards of physical fitness during this period of extensive body development
- To develop an appreciation or facility in the fine and practical arts since these contribute to the enrichment of life
- To provide a program of coordinated activities
- To guide students in an understanding of self in preparation for a good, responsible life
- We believe that working toward these goals in all areas of instruction, especially in reading, writing, speaking, listening, spelling, and logical thinking, is essential.
- We strive to create an explicit connection between the skills and concepts throughout the curriculum.

“They never tell me anything...” is a myth!

Parent Involvement & Communication

School Volunteers

The Middle Schools have a very active parent volunteer program that supports our library, classroom teachers, club program, social events, field trips, and other activities. Our librarian organizes the volunteers during the month of September. If you are interested, a special letter will be sent home to your son or daughter requesting you to sign up. We sincerely hope you will be able to join us as a volunteer. Please see the district website to review the clearances needed to volunteer.

Parent Conferences

It is firmly believed at the Middle Schools that parents should be as interested and informed in the student's progress as possible. When problems of an emotional, social, or academic nature arise, it should be of mutual concern; parents and the school should communicate about the problem. Conferences with parents are always successful when there is a reciprocal appreciation of the efforts of both parties to solve the problem with understanding. The purpose of any conference is to clear up misunderstandings and recognize and channel the resources and energy to help the student succeed.

Grade Reports

Our main purpose is to keep parents informed, to recognize the improvements students have made in certain areas and to stimulate those students who might fail unless they put forth a greater effort. Grades can be accessed at any time through Canvas. If a question or concern about your child arises at any time, please do not hesitate to contact the appropriate teacher, counselor, or administrator. Working in partnership is important to a child's success. In addition to

report cards, GMS will send out mid-term reports every nine weeks to provide updates for students who are struggling academically.

Contact Information

On several occasions through the past school years, we have had discussions regarding our communications, routing of phone calls, and informing parents of the appropriate people to contact regarding their various concerns. When parents contact the school with personal concerns, we should always encourage them to reach a solution at the level closest to where the problem originated at the building level. The following are examples of parental concerns and how the calls might be directed:

Concern	Person to Contact
Grade	Teacher who issued a grade
Detention	Teacher who issued detention (Assistant Principal or Principal if concern remains)
Placement	School Counseling at the beginning of the year; Teacher/Counselor at mid-year
Peer Problem	School Counselor/Assistant Principal/Principal
New Student	School Counselor
At-Risk Student	School Counselor/Principal
Homework	Teacher
Homework Request due to illness	Teacher through Canvas or Front Office Secretary (on the third day of absence) if no access to Canvas online from home
Bus Discipline	Assistant Principal/Bus Driver
General Transportation	Transportation Secretary/Bus Garage
Concern about Teacher	Teacher first, then the Principal
Medical	Nurse
Tutoring/Homebound	School Counseling/District Student Services
Vacation/Educational Trip Requests	Front Office
Program/Curriculum	Teacher/School Counselor/Principal
Athletics/Extra-Curricular Activities	Sponsor/Coach/Assistant Principal/Principal or Athletic Director as necessary

Teacher Contact

Please send an email using the teacher's last name followed by a period and the first name followed by @galionschools.org

Example: doe.john@galionschools.org

You may call the school office at 419-468-3134 to leave a message for your child's teacher.

Student Health & Wellness

Medications

Medications

1. Parents obtain a written order from the doctor requesting that medication be given at school, stating the medication's name, the dosage amount to be given, and the time it is to be given. (The doctor must complete the required form, and the parent can be obtained from the school office). Students are to carry no medication except asthmatic inhalers (parents must have a self-carry form filled out by the physician and submitted to the office.)
2. Provide the medication in the original container with the child's name, the name of the medication, when it is to be given, and the amount or dose to be given.
3. Parents must pick up unused prescriptions during extended school breaks and at the end of the school year. They should also calculate in advance the date that refills will be needed for ongoing prescription medications.
4. Galion City Schools Board Policy requires the parent/guardian to provide written permission for nonprescription medications such as cough drops, Tylenol, antibiotics, etc.

Care of Students with Chronic Health Conditions

Parents are to notify the school of the child's allergy/health condition and update at least annually by submitting a medical statement that includes:

1. The medical or special dietary condition that restricts the child's diet; the food or foods to be omitted from the child's diet; and the food or choice of foods to be substituted.
2. Parents are to work with the school team to develop a plan that accommodates the child's needs throughout the school, including the classroom, cafeteria, after-school activities, and the school bus. Parents are to replace any required medication after use or upon expiration.
3. Parents are to provide the school with a way to reach the parent(s) or other emergency contacts.
4. Parents are to educate the child in the self-management of their allergies/health conditions, including safe and unsafe foods, strategies to avoid exposure to unsafe foods/agents, symptoms of adverse health conditions, how and when to tell adults that they are experiencing their health problems, and how to read food labels (age-appropriate). Education efforts should promote self-advocacy and competence in self-care.

Bed Bugs

Bed bugs are a nuisance, but their bites are not known to spread disease. Even though it is unlikely for bed bugs to infest a school, the district will take precautions as necessary. Bed bug monitors are located in every classroom. This will prevent these pests from spreading from one person to another. If a bed bug is found on your child, we will bag up all of your child's personal belongings during the school day, including coat and backpack, and locate them within their locker. You may also be asked to bring an extra change of clothing each day. A letter will be sent home, and you will need to verify when your house was exterminated.

Head Lice Policy

Pediculosis (head lice) – excluded until initial treatment with pediculicide shampoo. The school nurse or city health department MUST CHECK STUDENTS before re-admittance to school. Parents or guardians are responsible for treating head lice so that students miss a minimum amount of school. Three (3) days of excused absence will be allowed. Once students are treated, the parent must meet with the school nurse and provide evidence, such as the empty shampoo bottle or box, to prove the child has been treated. The nurse will check to ensure no signs of lice nits and bugs. Parents will be asked to retreat the child in 7-10 days. The school nurse will recheck the child to ensure there is no evidence of new eggs or live bugs after two weeks. If there is evidence of new nits or bugs, the child will be removed again, and proof of treatment will be required.

Control of Communicable Diseases

The Board of Education recognizes that control of the spread of communicable diseases is essential to the well-being of the school community and to the efficient operation of the schools. For the purposes of this policy, "communicable disease" shall include smallpox, diphtheria, scarlet fever, and other strep infections, whooping cough, mumps, typhoid fever, measles, rubella, and acquired immune deficiency syndrome, or any other disease designated communicable by State or Federal authority.

The Board of Education seeks to provide a safe, educational environment for both students and staff. It is the Board's intent to ensure that any student or member of the staff who contracts a communicable disease that is not communicated

through casual contact will have his/her status in the District examined by an appropriate panel of resource people and that the rights of both the affected individual and those of other staff members and students will be acknowledged and respected. For purposes of this policy, "non-casual communicable disease" shall include:

1. AIDS – Acquired Immune Deficiency Syndrome;
2. ARC – AIDS-Related Complex;
3. Persons infected with HTL-III/LAV (Human T-Cell Lymphotropic Virus/Lymphadenopathy Associated Virus);
4. Hepatitis B;
5. Other like diseases that may be specified by the State Board of Health

Random Drug Testing

All students wishing to participate in athletics, extracurricular activities, or drive/park on the Galion City School District property will be subject to urine testing for illicit or banned substances as specified in the Procedures for Random Urine Drug Testing of Galion City School District Students. This policy can be found on the Galion City Schools District Website, or a paper copy may be obtained by contacting the Galion High School Office. Reminder: Vape = 20% loss of sports calendar.

Student Services

Rights of Disabled Students

It is the policy of the Board of Education that no otherwise qualified student shall solely, because of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity sponsored by this Board. As used in this policy and any implementing guidelines, "disabled student" means a student who has, or had, or is regarded or was regarded as having a disabling condition; "disabling condition" means a physical or mental impairment that substantially limits one (1) or more of a student's major life activities and includes specific learning disabilities.

Special Education

The Board of Education shall provide a comprehensive, free, and appropriate public education to all eligible educationally disabled children ages five (5) through twenty-one (21) (unless they have completed the twelfth grade and been issued a diploma) and such supplemental aids and related services as may be necessary for a disabled child to receive such an education in the regular classroom environment.

Drills/Emergencies Procedures

Emergency Drills will follow prescribed safety protocols with quiet and orderly movements throughout. Classroom teachers will cover and periodically review protocols. There will be several drills throughout the year. Students are to stay with their classroom teachers throughout each drill so attendance can be taken.

Field Trips / Athletic Trips

Field trips will be taken for various educational purposes. Parent permission slips will be signed in advance. Students will travel by school vehicles whenever possible. A field trip extends the school, and students are expected to behave accordingly. Students will not be released to a parent from a field trip or away athletic event without prior written approval from the administration.

Student Records

The School District maintains many student records, including directory and confidential information, in compliance with FERPA requirements. Directory information can be provided upon request to any individual other than a for-profit organization, even without a parent's written consent. Parents may refuse to allow the Board to disclose any or all "directory information" upon written notification to the Board. For further information about the items included in the directory information category and instructions on how to prohibit its release, you may consult the Board's annual Family Education Rights and Privacy Act (FERPA) policy, which can be found on the Galion City Schools webpage.

Student records may be transmitted via facsimile and/or electronic mail within the Board of Education guidelines provided for student records.

Intervention

We believe that all assignments are relevant and must be completed promptly. Teachers may assign students to Interventions to address learning gaps. Students may be assigned to after-school ROAR, where students will be allowed to complete incomplete homework and assignments for full credit. Failure to report to Intervention or refusal to complete assignments in Intervention may result in the assignment of an after-school study room and/or disciplinary action. After repeated incidents of missing assignments in a grading period, s/he may be assigned after-school Intervention or ROAR, which will be Monday-Thursday. Staff will notify parents any time a student has an increase in incomplete work and would benefit from after-school assistance. We believe that giving a student a “zero” on any assignment should be the “grade of last resort.”

Title I

Title I is a federally funded program that supports students and families in the areas of Reading/Language Arts and Math.

The Federal Law, Every Student Succeeds Act (ESSA), requires that any school receiving federal Title I assistance must notify parents that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
2. Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
3. The teacher's college degree major and any other graduate degree or certification (such as National Board Certification).
4. Whether your child is provided services by instructional paraprofessionals (sometimes called teachers' aides) and their qualifications.

You may request this information by contacting your school principal. Please give the child's full name, the parent's full name, and the name of your child's teacher. The principal will then prepare and send the teacher qualification information that you have requested.

Families, the child, and the teacher will share responsibility for improved student achievement. Families are requested to support students by monitoring homework and assignments daily, attending conferences, supporting school-wide behavior plans, and being regularly involved in school activities to improve student achievement. Students will take responsibility for their learning, homework, and assignments and follow the school behavior plan. School personnel will communicate with families, provide a high-quality curriculum, and notify families of student achievement concerns.

Attendance Procedures

Regular attendance is required by law. Galion Middle School wishes to know at all times the whereabouts of the students. GMS will notify the parent/guardian of an absent student within 2 hours of the start of the school day. When your child is going to be absent due to illness, an appointment, or vacation, please notify the school at the following number: (419) 468-3134 before the missed days. In case of injury or illness occurring, please call the day of the absence. If a phone call is impossible, be sure to have your child bring in a written excuse within 48 hours of his or her return. If phone contact is made a written excuse is not required. Failure to do either will result in an unexcused absence. Please refer to Board policy 5200 for more detailed information.

A student must be present at least 3.5 hours of the school day in order to participate in any extracurricular or co-curricular activities scheduled for that day. This includes practices, games, performances, etc. in athletic, music, club, or field trip activities. The administration may waive this requirement if the student is absent for any of the following reasons:

1. medical excuse (signed by an M.D., O.D., Dentist, Optometrist, etc.)
2. a death in the family
3. family vacation (this requires prior approval from the counselor/attendance office)
4. extenuating or emergency circumstances

If the student is absent for illness or reasons other than those covered above, he/she may NOT participate in school activities that day. Absences on Friday will have no bearing on participation in Saturday or Sunday school sponsored programs or activities.

*Parental excuses for absence due to illness will be accepted up to 10 days for the school year. After 10 days of absence a medical excuse will be required. Absences after 10 days without a medical excuse will be considered unexcused.

Parents are required to call the school or send a written reason for absence for all school absences. These attendance regulations are the requirements established by Senate Bill 181. Students will be given reminder notifications to submit a note for their absence. If a note is not presented a lunch detention may be assigned. Regular attendance is necessary for teachers to give a student the best possible instruction. Even though a student may make up the actual class work missed because of absences, he/she may never be able to replace the social, educational or cultural contacts that are received only through actual classroom instruction and participation.

Vacations

While we understand that not all family vacations can be scheduled in accordance with the school calendar, we encourage families to attempt to schedule these trips during non- school days. In the event that a trip/vacation is planned during school days missed days will count towards the 10 parental excused absence days for illness. Absences beyond 10 days without a medical excuse will be unexcused. The student may be responsible for class work including tests that the teacher will be covering during the absences. Tests are to be administered within a reasonable time of the student's return, preferably within one week in accordance with school grading guidelines.

Excused Absences

The term "EXCUSED" will refer to any absence from class based on the following:

1. Personal illness;
2. Illness in the family;
3. Death of a relative;
4. An emergency or set of circumstances which, in the judgment of the attendance office, constitutes a good cause for absence. Realize that absences in excess of 10 days will require a medical excuse. Any other type of absence will not be excused. Leaving school without permission is classified as truancy.

Students who have been absent from the previous day should report to the attendance desk with a note from their parents as to the reason for such absence. Students arriving at school after attendance is taken must sign in at the attendance desk.

Unexcused Tardies

Students that are tardy to school will receive 3 warnings, upon the 4th tardy to school, students will receive a detention. Subsequent tardies will be subject to additional detentions, Thursday Schools or ISD. Classes begin at 7:25 a.m. for students.

Truancy Process

Truancy is an unauthorized absence.

1. The following process is intended to prevent or decrease the incidence of truancy. We believe that the most effective support system is one that includes intervention early to prevent excessive tardies or absences. Unexcused tardies and early dismissals may also count towards the accumulation of unexcused absences.
 - A. Truancy Warning Letter delivered via home visit by the District Truancy Officer (32.5 hours/5 Days of Unexcused Absences)
 - B. Unofficial Court Hearing to be held at the school (52 hours/8 Days of Unexcused Absences)
 - C. Official Truancy Hearing
2. Warning Letter: (13 hours/2 Days of Unexcused Absences) Parental/Legal Guardians(s) is sent a notice from the school. In compliance with R.C. 3321.2 the letter shall warn both the child and the parent(s) of the legal consequences of the failure to attend school.
3. Truancy Warning Letter Delivered to Home by District Truancy Officer (32.5 hours/5 Days of Unexcused Absences)
4. Unofficial Court Hearing (52 hours/8 Days of Unexcused Absences)
 - A. Parent/Legal Guardian(s) and child will be required to attend an unofficial Court hearing at the school. A representative of the school or the truancy officer will send a notice of the hearing.
 - B. If more than one parent/legal guardian is responsible for the care of the child, both parents/legal guardians will be expected to attend.
 - C. The hearings will be held at the school
 - D. A Truancy Officer and a designated school official will conduct the hearing.

- E. While the hearing is unofficial, the process should be formal and enable both the child and the parent to clearly understand their responsibilities.
 - F. Focus of intervention at this level will be to identify child and family needs and make referral to appropriate school services and/or human services agencies if needed.
 - G. The result of the unofficial hearing should be a family/school plan, which will resolve the truant behavior. As part of the plan, the parent may be asked to become specifically involved in the daily school activities (helping with homework, transportation to school, regular contact with teachers, etc.). Schools will be asked to identify creative options for parental involvement.
 - H. Parent/legal Guardian(s) who fail to show for the unofficial hearing, refuses to cooperate, or is unable to cause the child's attendance at school will be charged with "Failure to Send" when the child's absences qualify him/her as a habitual truant (30 hours/5 consecutive days unexcused OR 42 hours/7 unexcused days in a month OR 72 hours/12 days unexcused in a year) or as a chronic truant (42 hours/7 consecutive days unexcused OR 60 hours/10 unexcused in a month OR 90 hours/15 days unexcused in a year)
5. Official Truancy Hearing
- A. An official truancy complaint will be filed with Crawford County Juvenile Court based on the following guidelines.
 - 1. Unruly Child/ORC 21514.011-Habitual Truant; Any school age child who is absent without a legitimate excuse from school for 30 or more consecutive hours (5 consecutive unexcused days or 42 hours/7 unexcused days in a month or 72 hours/12 days unexcused days in a year).
 - 2. Delinquent Child: HB 410/ORC 21/51.011(18) Any school aged child who is absent without legitimate excuse from school for 42 or more hours (7 consecutive unexcused days) in a month or 72 or more hours (12 unexcused days) in a year.
 - 3. Unruly Child – Any child who is habitually truant and previously been found to be unruly
 - 4. Contributing to the Unruliness or Delinquency of a Child: Any person/s that cause a child to become unruly or delinquent.
 - 5. Failure to Send Child to School: No parent/guardian or person having care of the child may fail to cause that child to attend school.

A.M. Drop-off: Students are to be dropped off in front of the Middle School at the main entrance. They may enter the

building at 7:10 am and go directly to the cafeteria for breakfast. Student will not be permitted to leave the cafeteria until 7:20.

P.M. Pick-up: Students are to be picked up in front of the Middle School at the main entrance. Parents/Guardians are asked to park in spaces while waiting for their child(ren) to exit the building. For the safety of our students and busses, please refrain from driving behind the Middle School when leaving the premises.

School Closings / Delays

In the event of a school closing due to snow or other emergencies, the districts electronic call system will be used as the primary source of information related to school closings, delays, and district emergency information, which will be delivered to the phone number on file; please keep any changes to your phone number up-to-date with the school. School related closings or delays can also be accessed on the district webpage, Facebook page, or Galion Middle School Facebook page.

You may also tune into the following radio stations in the area to be notified of the closing: WQEL - Q92.7, WBCO - 1540 AM - Bucyrus, WVNO 106.1 FM or TV station WMFD TV68 - Mansfield. Please DO NOT call the principal, teachers, or the school. Parents and students are responsible for knowing about emergency closings and delays.

Academics

Homework

Homework - on an average day students should plan to spend time studying outside the regular school day.

Add/Drop Classes

Students taking French I, Spanish I, Algebra I, or Biology may drop the course under the following conditions: Dropping a course after ten school days will result in a drop "F" and will be averaged into the grade point average. A parent-teacher contact must be made and all options explored before the course will be dropped. A signed form from the parent giving permission for the course to be dropped with an "F" will conclude the process.

All other courses offered to middle school students are assigned and do not have the option to be changed unless a medical reason is documented with prior approval from the administration. Example: A student with a broken arm is unable to participate in physical education class.

Students taking band or choir will have 10 school days to add or drop these courses. Any student wishing to add/or drop band/choir after the 10th school day window has closed will be based on final approval of the administration.

Textbooks / Fees & Fines

Galion City Schools now offers an online system to pay student fees, activity fees and add money to your child's lunch account. You may use your credit and/or debit card for the transaction. We cannot take credit card payments at our school office; credit card payments are only available over the internet. We will still accept cash and checks at our school office. More information about the online system is available from your school office or at the EZpay link on our website at <http://www.galionschools.org/parents/pay-school-fees>

Technology Usage Premium: All Galion Middle School students will be required to pay the \$45.00/year usage premium. The technology fee must be paid in full by January 1, 2025 for students to continue to participate in field trips, dances, and end of year incentives.

Cheating on Exams & School Work

Cheating is a violation of all principles of education. Cheating may result in disciplinary action, or other appropriate consequences. Teachers may require the student to retake the test in order to assess true understanding of the materials. Suspension and/or dismissal from extracurricular activities are realistic expectations.

Progress Reports

Students' grades will be updated regularly throughout each grading period through Canvas. Grades and assignments can be checked daily. This should be checked weekly at a minimum. Progress reports will be sent home quarterly for students who are at academic risk.

Absent Work

Students are expected to follow up with each classroom teacher about missed assignments while they were absent from class. A parent may request absent work during a student's absence. This work may be picked up, completed at home, and returned with the student. Work may be completed and turned in corresponding with as many days as the student was absent. (e.g.; a 3-day absence allows for 3 days to make up missed assignments) It is the responsibility of students to arrange with their teachers to make up all work that was missed due to absence. Student assignments can be obtained by using Canvas, our district Learning Management System (LMS) that allows parents and students to access classroom information using the Internet.

Grading Scale

A = 90-100% B = 80-89% C = 70-79% D = 60-69% F= 0-59%

This District provides a variety of opportunities for acceleration, early graduation and other educational options through our Credit Flexibility Program. Please refer to Board policies 5408, 5421A and 5460 for more detailed information.

Honor Roll

All Galion Middle School students are eligible. This award is based on grades received at the conclusion of each quarter of the academic school year. The minimum grade point average needed to qualify for an award is 3.5 on a 4.0 scale.

3.50-3.99 – Honor Roll 4.0+ – Honor Roll With Distinction

Retention

If a student fails any one of the following classes for the year, English, Math, Science, or Social Studies, he or she may be retained. Excessive absences, as determined by the principal, may also be a cause for retention. If the principal determines after counseling with the student, and where possible, the parents that it is in the child's best educational interest, the student may be socially promoted to the next grade. This advancement is a placement.

School Counseling

Counseling services include:

1. Assistance in planning future education
2. Interpretation of test scores
3. Occupational information
4. Career information
5. Help in improving study skills
6. Scheduling concerns
7. Help with home, school or social concerns

It is not the goal to solve all of our students' problems; rather it is to teach students strategies and guide them toward solving their own problems.

Extracurricular Participation

The full Athletic Handbook is available on our Middle School webpage.

Galion Middle School offers many opportunities for students with special interests or talents to participate in a variety of activities. Many clubs and organizations enhance the development of leadership, scholarship, and social skills. Students are encouraged to get involved in honorary clubs, athletics, etc. Through the music and drama departments, students may also participate in both school and public activities throughout the year.

Random Drug Testing

All students wishing to participate in athletics, extracurricular activities, or drive/park on the Galion City School District property will be subject to urine testing for illicit or banned substances as specified in the Procedures for Random Urine Drug Testing of Galion City School District Students. This policy can be found on the Galion City Schools District Website, or a paper copy may be obtained by contacting the Galion Middle School Office.

Athletic Eligibility

Galion Middle School adheres to the eligibility policy established by the Ohio High School Athletic Association. In order to be eligible in grades 7-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. During the preceding grading period, the student must have received passing grades in a minimum of five one-credit courses or the equivalent that count toward graduation. A student enrolled in the first grading period after advancement from the eighth grade meets the same criteria

The eligibility or ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from the immediately preceding grading period become effective.

EXCEPTION: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season.

NOTE: An athlete who is ineligible may practice with their team with coach and administration permission, as long as they maintain eligible grades during their period of ineligibility. Questions regarding eligibility or ineligibility should be directed to the Athletic Director.

Athletic Requirements

In order to participate in athletics (practice/contests) you must have the following on file in the Principal's Office:

- Physical Card (OHSAA)
- Insurance/Insurance Waiver Form
- Signed Athletic Code of Conduct
- Athletic Eligibility Pamphlet (OHSAA)
- Signed Concussion Information Sheet
- Emergency Medical Authorization
- Signed Random Drug Test Form
- Signed Lindsay's Law Form

In addition to training guidelines set down by individual coaches for particular sports, the Athletic Code of Conduct/Extracurricular Code of Conduct, and applicable OHSAA guidelines, are in effect for all Galion athletes 365 days a year.

Extracurricular Participation

Participation in extracurricular activities is a privilege and not a right. Therefore, a student can be prohibited from participating in any particular or all extra-curricular activities for offenses or violations of the Student Code of Conduct/Student Discipline Code for a period not to exceed the remainder of the school year in which the offense or violation of the Student Code of Conduct/Student Discipline Code took place. In addition, student-athletes are further subject to the Athletic Code of Conduct and may be prohibited from participating in all or part of any interscholastic sport for violations therein. Students prohibited from participation in all or part of any extracurricular activity are not entitled to further notice, hearing, or appeal rights.

Student Conduct

Student Rights

1. An education without harassment from fellow students.
2. The expression of an opinion in a respectful manner.
3. Courteous treatment from all school personnel.
4. An informal hearing for suspension with a principal
5. The right to challenge the reason for suspension. However, the student does not have the right for legal counsel at an informal hearing.
6. Written notice of intent to suspend with reasons why.
7. Written notice of suspension and reasons within 24 hours of the informal hearing. This notice will be sent to the parent, guardian, or custodian, and Board Treasurer.
8. A student, parent, or guardian may appeal the suspension to the Board of Education or its designee. The student or parent may be represented at the appeal and the appeal may be held in the executive session of the Board if requested by the pupil, parent, guardian or custodian. The student will remain under suspension/expulsion during the pendency of the appeal

Search & Seizure

The Board or its designee reserves the right to search the lockers at any school activity when it is reasonably necessary for the maintenance of order, discipline, and safety and for the supervision and education of students.

Questioning of Students

The school is committed to protecting students from harm that may be connected with the school environment and also recognizes its responsibility to cooperate with law enforcement and public welfare agencies. While the school believes these agencies should conduct their investigations off school property, if possible, investigations can occur at school in emergencies or if the violations being investigated occurred on school property.

Before students are questioned as witnesses or suspects in an alleged criminal violation, the building administrator will attempt to contact a parent before questioning and shall remain in the room during questioning.

If a student is questioned about alleged child abuse or neglect, the building administrator will attempt to contact a parent prior to questioning and will remain in the room during questioning. If the agency investigating the alleged child abuse or neglect suspects the parent is the perpetrator, neither parent will be contacted before questioning, but the building administrator will remain in the room during questioning.

The building administrator will notify a parent if law enforcement or a children's services agency removes a student from school.

Dress Code Guidelines

Galion City Schools expects students to dress suitably for school without compromising their health or safety. Students may continue to participate in the campus wear program; however, if they wish not to participate, students must conform to the guidelines below. We revised our procedures with the leadership of students, parents, staff, administrators, and board members to ensure that:

1. Student attire assists in creating a safe learning environment in classrooms.
2. Dress code enforcement does not hinder school attendance.
3. Students can wear comfortable, personal-choice clothing, with the exceptions listed in Section 3.
4. The administration can approve exceptions to the items below.

Section 1 - All students must cover certain body parts at all times

1. Clothes must fully cover private parts, buttocks, the chest, and the stomach with opaque (not see-through) fabric.

Section 2 - While following Section 1 above, students must wear

1. A shirt with fabric in the front, in the back, on the sides, over the shoulders, and under the arms AND
2. Pants, jeans, or the equivalent (for example, skirts, sweatpants, leggings, dresses, shorts, etc.) AND
3. Appropriate footwear to the grade level or class:
 - a. For grades PreK-5: Shoes must have a stiff sole and cover the entire foot.
 - i. Crocs and sandals are permitted when the heel straps are engaged.
 - b. For grades 6-12: Shoes must have a stiff sole.
 - i. Crocs and sandals (without heel straps) are permitted except where mentioned in Number 4 below.
4. Periodic assignments, such as public speaking, job readiness, or classroom safety requirements, such as PE class, science labs, industrial technology, etc., may require specific attire and/or footwear covering the entire foot.

Section 3 - Students Cannot Wear

1. Items from Section 2, Number 2, with holes that present a safety issue or violate Section 1.
2. Clothing must cover undergarments.

3. Footwear presenting a safety hazard, such as slippers, flip-flops, cleats (except on athletic fields), and other features that interfere with walking or running or have the potential for injury (excessively high heels, “wheelie” heels, etc.).
4. Violent language, violent images, hate speech, profanity, pornography, and/or images/language that create a hostile/intimidating environment based on any protected class or marginalized groups.
5. Images/language depicting/suggesting drugs, alcohol, vaping, paraphernalia, or any illegal item/activity.
6. Bulletproof vests, body armor, tactical gear, facsimiles, or other items that would cause panic.
7. Swimsuits (except as required at athletic practice) and outerwear.
8. Personal accessories that pose a danger to others or have potential as a weapon.
9. Items covering the face or ears (except as a religious observance or protective equipment).
10. Any clothing or accessories that cause a school disruption or pose a risk of disruption.

Section 4 - Enforcement

Creating a comprehensive list covering every potential student dress code issue is impractical. The administration will have the final say on unclear dress code violations. They will take necessary action, including contacting parents for support. Students in violation must switch to acceptable attire, and repeated offenses can lead to disciplinary action.

Section 5 - FAQs

Q: Can I wear spaghetti straps to school?

A: The guidelines specify that shirts must have fabric in the front, in the back, on the sides, over the shoulders, and under the arms, so spaghetti straps would not be permissible under these guidelines.

Q: Are ripped jeans allowed?

A: Ripped jeans that reveal undergarments or have holes large enough to reveal undergarments, private parts, and/or buttocks cannot be worn. Ripped jeans with holes large enough to pose a snagging or other safety hazard cannot be worn.

Q: What about clothing not mentioned in the rules above?

A: As long as students meet the requirements in Sections 1 and 2, they can wear personal choice clothing. Students must:

1. Wear clothing that fully covers private parts, buttocks, the chest, and the stomach with opaque (not see-through) fabric, they wear a shirt with fabric in the front, in the back, on the sides, over the shoulders, and under the arms AND
 2. Wear pants, jeans, or the equivalent (for example, skirts, sweatpants, leggings, dresses, shorts, etc.) AND
 3. Wear appropriate footwear to the grade level or class AND
 4. Not wear clothing or accessories that cause a school disruption or pose a risk of disruption
-

Q: Can I wear crocs and sandals?

A: There are more specific guidelines for younger and older students.

For grades PreK-5, Crocs can be worn as long as they are in “sport mode” with the heel strap engaged. Sandals can also be worn as long as they have a heel strap. Because many students run at recess and the playground area has rubberized mulch, students would not be able to wear slides, flip flops, or other footwear that does not have a heel strap. This kind of footwear may present a safety hazard.

Crocs and slides can be worn for students in grades 6 through 12, except for certain classes where safety is a concern.

Q: What’s the difference between flip-flops, slides, and Birkenstock-type footwear?

A: In our district, footwear must have stiff soles. Students in grades PreK-5 must have a heel strap, but there is no requirement for having a heel strap in grades 6-12. Because of the activity level in different grades, specific footwear may present a greater safety hazard than other footwear.

For instance, flip-flops generally have a soft sole and are poorly constructed. Flip-flops are affordable footwear, but the lack of durability increases the risk of injury. For our younger learners, flip-flops can break or fall off when they run

at recess. This type of footwear is more prone to failure, resulting in a greater possibility of injury. The soft sole makes them a puncture hazard for students of all grade levels.

Slides and Birkenstock-type footwear without a heel strap are not permissible for our students in grades PreK-5 because they lack a heel strap. If Birkenstock-type footwear has a heel strap, students in Pre-K-5 can wear it. Students in grades 6-12 can wear slides and all Birkenstock-type footwear except for specific times or classroom safety requirements, such as public speaking, job readiness, PE class, science labs, industrial technology, etc.

Q: Are there any restrictions on hats or head coverings?

A: Items covering the face or ears are prohibited unless they are for religious observance or protective equipment. To maintain a safe environment, hoods, and hats cannot be worn so that our security cameras can view students, staff, and visitors.

Miscellaneous

No handkerchiefs, bandannas, hats, or any other material may be used to cover the head unless medical or extenuating circumstances are approved by the administration.

All of the items listed below MUST be placed in campus locker: jackets, coats, gloves (any hand coverings), and all outerwear and headwear of any type. This includes hats, handkerchiefs, bandanas, and sunglasses (except for medical reasons).

Dress Code Exceptions

Students with medical or physical disabilities may require special clothing, not in compliance with the Campus Wear Policy. The IEP team (which includes the building principal) will make any determination for this special clothing. This should also be noted in the student's health plan if applicable. Students with an injury, illness or condition that would exempt them from Campus Wear compliance will need a written physician's excuse and approval of the building principal. Special Activity Days (i.e. Picture Day, Spirit Days, etc.) may be allowed with the prior approval of the building principal. Any variation of clothing on these special activity days must follow the Campus Wear guidelines. Any used or handed down clothing must be in good condition and follow the Campus Wear guidelines.

Book Bags/Purses/Duffel Bags/Backpacks

Students may use book bags to transport books and materials to and from school. However, all bookbags and backpacks must be stored in the owner's locker bookbags are not to be carried to class during the school day. Lockers are to be used only before school, before and after lunch for those who pack a lunch, and after school.

Consequences for Dress Code Violations

Students who violate the dress code will be given the option to change or remain in In-school Detention for the remainder of the day. In most cases the school has the ability to provide clean options for students to change. Persistent violations will result in Thursday schools or removal of privileges revoked.

Cafeteria Rules

1. Students are required to pay for all food items through the cafeteria prior to leaving the lunch line.
2. All students will assist in picking up all trash and placing it in the proper receptacles.
3. Students are to remain in the cafeteria during lunchtime.
4. Parents are not permitted to bring fast food items during lunchtime.
5. Food/drinks are not permitted to leave the cafeteria. Exceptions can be made for medical and/or health considerations with prior approval from the administration.

Galion City Schools Food Services

Galion City Schools Nutrition Services is self-supporting. It receives no money from the district's General Fund budget, tax levies or property taxes. We are funded only from federal reimbursement and student meal payments to cover operating expenses and fees. By federal law, Nutrition Services revenues must meet or exceed expenditures. Therefore, unpaid charges affect the ability of our department to support itself.

We understand that lunch money is sometimes forgotten; therefore we do allow students to charge the cost of a meal. Because hunger is an impediment to learning, no child will be denied a school meal unless directed by the child's parent/guardian.

District software, Pay Schools Central, allows parents to track their student's balance and deposit money to their account.

We encourage all families to set up a low balance alert notifying them of a low balance on the lunch account and/or set up the auto-replenish feature to automatically add funds when the lunch account reach a set point.

Meal Charge Procedures

1. Low balance emails (below \$7.00) will be sent Tuesday and Friday evenings to the email address in Final Forms.
2. When a student lunch account falls below \$0, families will receive an email on Fridays to the email address in Final Forms. These emails will continue stating the current balance in the account until the negative balance has been cleared.
3. When a student lunch account balance is more than (\$50.00) we will contact the family via mail, text and/or phone.
4. When a student lunch account reaches an excessive negative balance, there will be a meeting with School Administration, Food Service and parents to discuss future steps.
5. This debt remains on your student's lunch account until paid. This negative balance could affect participation in school sponsored events.
6. Students may not charge a la carte items, including extra entrees.
7. Adults are not permitted to charge.

If at any time you would like to discuss your student's lunch account, call us at (419) 468-3432 ext. 11016. Any limits or restrictions on a lunch account must be made in writing and can be emailed to king.shannon@galionschools.org.

Account Balances: All account balances, positive or negative are automatically carried over to the next year. When students leave the district or graduate, we will attempt to transfer remaining funds to a sibling or refund outstanding balances. Unclaimed funds remaining after three months will be absorbed by the Food Service Department.

Free/Reduced Lunch applications are available in the dining section of our district website and paper copies can be obtained in any school office.

Student Code of Conduct (Adapted from Policy 5500)

The goal of the Code of Conduct is to create conditions that foster student self-discipline in a warm, supportive school climate that is conducive to maximum learning for all students. The Code of Conduct is a general guide for behavior, not a mechanism for rigid control. The individual personalities of students or extenuating circumstances will be considered before corrective measures are prescribed.

Notice: The use of video surveillance equipment may be used in the investigation of violations of the Code of Conduct. Students may receive discipline as a result of what is recorded.

In addition, this Code of Conduct includes:

1. Misconduct by a pupil that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and
2. Misconduct by a pupil that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.
3. Unruly charges may be filed in juvenile court against a student who continually violates the Student Conduct Code.
4. Students are duly informed that their behavior may be monitored on school property and/or school busses and/or adjacent property by security cameras.

Staff Expectations

1. Communicate with students, parents, colleagues and administration.
2. Hold students accountable.
3. Hold each other accountable.
4. Teach, model, redirect and re-teach behavior expectations (Classroom, Hallway and Stairs, Cafeteria, Bus, Restrooms, Recess).
5. Display, implement, teach, revise (when needed) classroom matrix.
6. Be in the hall at assigned posts during hallway transitions.

7. Follow school-wide protocols and procedures for improving student behavior and completing forms

Such discrimination may occur where conduct is directed at the characteristics of a person's sexual orientation/gender identity, intellectual abilities, religion, race, or color, such as racial slurs (use of the N-word), nicknames implying stereotypes, epithets, and/or negative references relative to racial, ethnic, or religious customs.

Rule 6 - Class Cutting, Punctuality, Tardiness, Outside of Assigned Area

All students are expected to be on time for school and each class unless illness or a delayed school bus prevents timely attendance. Staff-Managed Behavior

Not all student misbehavior requires extensive response. Sometimes students will respond quickly to a teacher's action to minimize the behavior before it gets out of hand and requires more extensive intervention.

Technique	Explanation
Proximity Control	Specific placement/movement by the teacher in order to encourage positive behavior. The teacher is helping the student to control impulses
Signal; Non-Verbal Cue	Non-Verbal techniques such as sustained eye contact, hand gestures, a hand clap, clearing one's throat, etc. suggesting that the teacher is aware of the behavior and prepared to intervene if it continues. This is a quick and easy way to notify the student to make their own self-correction before the behavior, and possible disciplinary action, escalates. Conference with the student prior to implementing so all parties are on the same page.
Ignore, Attend, Praise	Uses the power of praise or positive feedback. The teacher praises an appropriately behaving student in the proximity of a student who is not meeting expectations. The praise serves as a prompt. When the student exhibits the desired behavior, attention and praise are then provided.

Instructional Responses to Inappropriate Behavior

If the simple techniques above do not result in the desired change in behavior, more direct instructional approaches can be used.

Technique	Explanation
Redirect	Brief, clear, private verbal reminder of the expected behavior. A re-statement of school-wide and non-classroom behavior or classroom procedure.
Re-Teach	Builds on the redirection by specifically instructing the student in exactly what should be done.
Provide Choice	Can be used when a redirect or re-teaching has not worked. A statement of two alternatives: the preferred/desired behavior or a less preferred choice.

Student Conference	More involved re-teaching or problem-solving. Discusses the behavior of concern, teaches the desired behavior, provides reasons why it is important and a plan is made for future use. Can include role-play or practice.

Teacher Detentions

Classroom teacher issued detentions are given for infractions of classroom policies and/or school rules and are served with the instructor or the teacher covering detentions.

1. Detentions will be held with the teacher who assigned it at a date and time assigned by that teacher, or on the next Thursday.
2. If a student cannot stay on a given day because of a family/home situation, the parent/guardian must notify the teacher prior to the detention time and determine an alternative date.
3. A student serving a detention shall be prepared with books, paper, and a pen/pencil to complete school assignments.
4. If a student fails to serve the issued detention, even after the teacher has made contact with the parent/guardian, and office referral will be written
5. The consequence for failure to serve the teacher issued detentions will be an office issued after school detention or Thursday School.

Failure to serve the office issued detention will result in further disciplinary action assigned by administration.

Student Responsibilities

1. Students are to use their time at school responsibly; using the restrooms before the tardy bell during class changes or by permission from the classroom teacher
2. Visitors - Anyone wishing to visit the school must obtain a pass from the principal's office. High school students are not permitted on the middle school grounds or in the middle school building before, during, or after regular school hours unless permission has been obtained. Having other students visiting in the classroom can be disruptive. Therefore, other students are not permitted to visit during school hours.
3. Bicycles - Bicycles are to be parked in the rack. Students are to stay away from bicycles and bicycle racks during the day. Safety for students and protection for people's property should be considered at all times. Bicycles should be locked. Galion Middle School is not responsible for bicycles that may be stolen or damaged.
4. Skateboards, in-line skates, skate shoes, and scooters - are not permitted on school property.

Behavior Program

DECISIONS CONCERNING STUDENT PARTICIPATION IN ACTIVITIES WILL ALSO INCLUDE ATTENDANCE AND GRADES, AS WELL AS STUDENT BEHAVIOR.

Student eligibility for special activities and field trips (Include, but are not limited to Cedar Point, Spring Dance, Class Trips)

- Must be passing core classes
- Must have school fees paid, including office fees, library fees and lunch fees
- Must have 10 days or less of excused absences, or have medical excuses for any days exceeding 10
- Must have no more than one out of school suspension for the year.
- In addition, multiple suspensions in one year may result in a student being recommended for expulsion.
- Administration will have the final say in all eligibility matters

Special Assignments

Students may be required to perform reasonable tasks as suited to the disciplinary infraction. Example: a student who makes a mess in the cafeteria will be required to help clean up the cafeteria.

Lunch Detention

Students would eat lunch in the detention room and spend the remainder of the period studying. Students may purchase a hot lunch while in the detention room, or bring a sack lunch from home. Students who fail to attend or get removed from a lunch detention are subject to in-school detention and/or suspension.

Withholding of Privileges

Special privileges such as library, hall pass, computer use, or other privileges may be withheld.

Removal from Class

A student may be temporarily removed from a class by a teacher. The seriousness of the offense, the student's attitude, and the number of previous offenses are all factors determining the final resolution. The teacher must submit the reasons in writing to the principal as soon as possible after the removal.

Detention

This will be held after school (the majority on either Tuesday or Friday) other days may apply as needed; transportation will not be provided. Students should fully understand that any teacher in the building has the authority to correct misconduct at any time. Therefore, it is conceivable that a staff member might assign detention to a student who is not in any of his/her classes. All students receiving detention will have 24 hours notice. The type of detention, (lunch or after school) the number of lunch detentions, or the number and length of time in after school detention, is determined by the offense. Students who fail to attend or get removed from an after school detention are subject to In-School Detention and/or suspension.

In-School Detention (ISD)

ISD may be imposed as a disciplinary action to create a positive change in a students' behavior. For an In-School Detention, credit may be given for all classroom assignments. ISD is held at GHS and supervised by a GHS teacher.

Thursday School

Thursday school may be imposed as a disciplinary action to create a positive change in a student's behavior. Thursday school will be held after school on Thursday afternoons for 2 hours and 35 minutes from 2:25-5:00; transportation will not be provided by the school and is the parents' responsibility. All students receiving Thursday School will have 24 hours' notice. Athletic events do not excuse students from attending Thursday School and therefore means students will miss games or other events if attendance is required at Thursday School. Students who fail to attend or are removed from Thursday School are subject to suspension.

Out-of-School Suspension

Unless otherwise noted in the individual section, this code shall be applicable to any conduct: on school grounds, during and immediately before or after school hours, on school grounds at any other time when the school is being used by a group, off-grounds at a school-sponsored activity, function, or event, on a school bus or conveyance, or at any other time when the student is subject to the authority of the school.

Misconduct for which Suspension (1-10days) or Expulsion (11-80 days) May be Imposed

Students are to remain at home during school hours while on suspension. The absence of a student on suspension is unexcused. The student must make up work missed and may earn credit (e.g. quizzes, tests, reports, etc.).

During a period of suspension/expulsion, a student is restricted from participating in or attending all school classes, programs, extracurricular activities (including practices, games or performances) and graduation ceremonies. A suspension officially begins at 12:01 a.m. on the first designated suspension day (unless emergency removal of the student occurs, in which case the suspension beginning is designated as the time of removal) and ends at 12:01 a.m. on the first day to follow the last day of the suspension period.

A suspension beginning during one week and extending into the following week restricts the student from attending or participating in any school-sponsored activities over the weekend. A student whose final day of suspension is on a Friday may attend or participate in school-sponsored activities on Saturday or Sunday.

A principal may suspend a student for a one to a ten-day period of time. The home is to be notified of a student's suspension. A student must make up missed work during their suspension. The student will be informed in writing of the intent to suspend and the reason(s) for the proposed action. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions. An attempt will be made to notify parents / guardians by telephone if the suspension is issued.

Emergency Removals

When circumstances are such that the student's continuing presence in school is reasonably certain to pose a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within the classroom or elsewhere, on the school premises or any school-sponsored or related activities, the student may be

immediately removed from the situation without complying with the notice and hearing requirements of suspensions and expulsions. If a student is removed under this provision, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to the student as soon as practicable prior to the hearing. The hearing will be held within seventy-two (48) hours from the time the initial removal is ordered. The hearing shall be held in accordance with the procedure set forth pertaining to suspension and expulsion.

Expulsion

The superintendent of schools may expel a student for up to 80 days for disciplinary action. Before a suspension or expulsion occurs, a parent-administrator conference may be held to present all facts relating to the incident. Following the parent/administrator conference, a written notice from school officials will notify parents.

General Information for Equal Education

This district provides an equal educational opportunity for all students. Any person who believes that he/she has been discriminated against on the basis of race, color, disability, religion, gender or national origin while at school or at a school activity should immediately contact the Superintendent as the School District's Compliance Officer. Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunities.

Harassment & Bullying

The school believes that every individual deserves to be able to come to school without fear of demeaning remarks or actions. The bullying and/or harassment of other students or members of staff, or any other individual is not permitted. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment.
