

OSBA Services Agreement Statement of General Terms

Ohio Revised Code Section 3313.171 allows a board of education to expend funds for consultant services for any purpose related to the business administration of the district. Pursuant to this authority, this agreement is made between the Ohio School Boards Association (hereinafter referred to as the "Consultant"), a nonprofit corporation with its principal place of business at 8050 N. High Street, Suite 100, Columbus, OH 43235 and the **Galion City School District** (hereinafter referred to as the "Board"), with its principal place of business at 470 Portland Way North, Galion, OH 44833-1115 for the purpose of providing a **Customized Workshop**.

The parties agree that the Consultant will provide the services as outlined in the addendum in exchange for consideration and the Board will perform the responsibilities outlined in the addendum, which is hereby acknowledged and made a part of this Agreement. This statement of general terms and its addendum represent the entire agreement by the parties. Any changes to the Agreement may be made only by a written amendment clearly setting forth the changes and signed by both parties. Any such amendment is effective on the date it is fully executed. The relationship of the Consultant to the Board is that of an independent contractor, and nothing herein shall create any association, joint venture, or partnership of any kind between the parties. The services and information provided by the Consultant do not constitute the rendering of legal advice.

1. **Governing Law.** All questions with respect to the construction, performance, and enforcement of this Agreement and any amendment, and the rights and liabilities of the parties thereunder, shall be determined in accordance with the laws of the State of Ohio.
2. **Force Majeure.** Neither party shall be liable for failure to perform its obligations under this Agreement due to events beyond its reasonable control, including but not limited to illness, injury, boycotts, riots, or other manifestations of civil strife or disorder, acts of God, wars, fire, epidemics, or acts in compliance with any applicable law, regulation, or order of any governmental body. In the event of a force majeure, the parties can defer performance of the Agreement to a mutually agreeable date. In the event the parties cannot agree to a date, the Agreement can be terminated by either party. In either case, there shall be no claim for damages by either party and each party shall bear its own costs attributable to the force majeure.
3. **Notice.** All notices or demands that either party may be required or desire to serve upon the other party in connection with this Agreement shall be in writing and may be served personally or by regular mail, with constructive receipt deemed to have occurred five (5) calendar days after the mailing or sending of such notice to the address of the principal place of business of the Board and the Consultant.
4. **OSBA membership.** Parties agree that district will become and maintain status as a member of OSBA and pay the membership annual fee for the duration of this contract. In the event the district fails to maintain membership status and pay the annual membership fee, OSBA reserves the right to terminate this Agreement upon written notice to the district.
5. **Termination.** This Agreement may be terminated by: (a) mutual agreement of the parties; (b) written notice of breach of this Agreement by either party; (c) force majeure, as provided in section 2; and (d) failure to maintain membership, as provided in section 4. Upon termination, all benefits and services provided under this Agreement shall cease and any amounts owing for services rendered prior to termination shall become due and must be paid in full upon termination.
6. **Supersedes prior agreements.** This Agreement supersedes all previous discussions, understandings and negotiations, whether oral or written with respect to the subject matter hereof, including, but not limited to, any prior service agreements or service addenda.

7. **Compliance with laws.** Each party to this Agreement warrants that it will carry out its activities under this Agreement in compliance with federal, state, and local laws.
8. **Limitation of liability.** The parties agree that Consultant's role is strictly advisory in nature. Consultant shall not have any decision-making authority and the Board retains the right and responsibility to accept or reject any recommendations provided by Consultant. In no event shall Consultant or its personnel be liable to the Board for any consequential, incidental, indirect, exemplary, punitive or special damages, in connection with claims arising out of or related to this Agreement or the services described herein. Consultant's maximum liability for damages relating to the services provided pursuant to this Agreement shall be limited to the fees paid for the service or work product giving rise to any claims, provided that such limitation shall not apply where damages are judicially determined to have been caused by Consultant's gross negligence or willful misconduct.
9. **Counterparts/electronic signatures.** This Agreement may be executed in counterparts, and when each party has signed and provided at least one such counterpart, each counterpart shall be deemed an original, and when taken together with other signed counterparts, shall constitute one Agreement, which shall be binding upon and effective as to all parties. Either party may rely upon an electronic signature as if it were an original, and the failure of a party to have possession of a manually executed original will not affect the validity, enforceability or binding nature of this Agreement.
10. **Effective date.** This Agreement shall become effective as of the date OSBA signs the Agreement ("Effective Date").
