Dear Treasurer King and Members of the Board of Education,

I hope this letter finds you well. As an advocate for our local community and a firm believer in the importance of education, I am writing to express my desire to contribute to our students' learning experiences through a donation to the **Galion Primary School Library**.

I have leftover monies (\$118.54) from my campaign fund, "Friends of Marcia Yunker for Mayor" and, if possible, I would like to allocate these resources toward purchasing books that focus on community service, civic engagement, and the importance of helping others. It is my belief that fostering a spirit of service within our student body will inspire them to become thoughtful and active citizens. I am hopeful that you accept this heartfelt donation.

Thank you for your dedication to the education and development of our youth.

Sincerely,

A handwritten signature in cursive script that reads "Marcia Yunker". The signature is fluid and elegant, with the first name "Marcia" being more prominent than the last name "Yunker".

Marcia Yunker
