

Galion City Schools **Food Service**

Dawn Hunter, Food Service Supervisor

To: Board Members and Dr. Jeffery Hartmann:

From: Dawn Hunter Food Service Supervisor

Date: 5/15/2026

Subject: 2025-2026 Annual Certificate of Standards

Dear Board Members and Dr. Jeffery Hartmann

In accordance with the requirements of the "Standards for Food and Beverages Act," this letter serves as the annual report of compliance for Ohio Revised Code sections 3313.814, 3313.816, and 3313.817. These standards are also addressed through the District's Competitive Food Sales Policy (PO8550) and Wellness Policy (PO8510).

The Food Service Department routinely reviews the nutritional values of all food and beverage items available to students using Health e-Pro Meal Planner software. This process ensures continued compliance with all applicable regulations established by the United States Department of Agriculture (USDA) and the Ohio Department of Education and Workforce.

I am pleased to report that the Galion City School District Food Service Department is fully compliant in all required areas.

Please feel free to contact me with any questions or if additional information is needed.

Sincerely,

Dawn Hunter

Food Service Supervisor
