## GENERAL INFORMATION

### Welcome to Galion Intermediate School

---

Welcome to another exciting year at Galion City Schools! Whether you are returning to our district or joining us for the first time, we are truly glad you are here. We believe our schools are more than just places to learn, they are communities where students, families, and staff work together to support one another, build meaningful relationships, and help every child grow. Strong partnerships between school and home are essential to student success, and we encourage families to stay connected, communicate openly, and be actively involved throughout the school year.

At Galion City Schools, our Courage to Climb mindset encourages students to embrace challenges, build resilience, and grow through both success and adversity. We are committed to creating a safe, welcoming, and engaging environment where every student feels known, valued, supported, and challenged to reach their fullest potential. This handbook was created to provide helpful information about school procedures, expectations, resources, and Board policies. We encourage families to review it together and refer to it throughout the year. An electronic version of the handbook, along with current Board policies, can also be found on the district website at Galion City Schools.

As a new school year begins, we, in the Galion City School District wish to welcome back old friends and extend a welcome to new friends. Cooperation between school and home is paramount in providing the best quality education to tomorrow's leaders. To achieve this goal, all lines of communication must be kept open, and we must all get involved. Please read this handbook and refer to it throughout the school year. From now on, the words parent, custodial parent, and/or guardian will be used synonymously. We hope you will find this information helpful. In addition, the student handbook is located at [www.galionschools.org](http://www.galionschools.org).

The Student Handbook was developed to answer many of the commonly asked questions you and your parents may have during the school year and provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook for reference by you and your parent. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student but only reflects the current status of the Board's policies and the school rules as of the Board of Education approval date. If any policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of the current board policies are available on our website at [galionschools.org](http://www.galionschools.org) or at <http://www.neola.com/galion-oh/>

We believe that education should provide an environment and experience for our students that will enable them to assume their proper place in society as capable, loyal, and responsible American citizens. The educational process should allow each individual to develop a well-integrated, wholesome personality.

The learning process is empirical in nature and explorational in character. It should provide all the necessary implementation to discover the varying interests, aptitudes, and capabilities of boys and girls. Our school system should meet the educational needs of a changing society. By teaching according to the principles of American democracy, each individual should be permitted to choose and plan his/her own goals in readiness for the important duties of citizenship.

## **STUDENT ENROLLMENT, RECORDS, & WITHDRAWAL**

### **Protection & Privacy of Student Records**

---

The GCS maintains many student records, including directory and confidential information.

Directory information can be provided upon request to any individual other than a for-profit organization, even without a parent's written consent. Parents may refuse to allow the GCS Board of Education to disclose any or all "directory information" upon written notification to the GCS Board of Education. For further information about the items included within the category of directory information and instructions on how to prohibit its release, you may consult the Galion City Schools' Board of Education Family Education Rights and Privacy Act (FERPA), which can be found at [www.neola.com/galion/](http://www.neola.com/galion/)

### **Classroom Assignment**

---

Class assignments are based on several factors, including academic, social-emotional, behavioral, and service needs, as well as class size balance. While specific teacher requests cannot be guaranteed, requests may be considered when possible.

### **Custody Papers**

---

Under the Missing Child Act, if you are divorced or separated, we need custody papers on file at the time of enrollment. Parents are to inform the school anytime the custody of a child changes according to SB-140. School officials must see and copy the custody decree, including the court journal entry number and signature page. Questions regarding proper procedure will be handled through the principal's office. Copies of custody papers and/or other court documents affecting the child may be kept at the local law enforcement agency.

### **Non-Custodial Parent Access to Student Records**

---

A divorce or change in custody does not change the right of a natural parent to have access to their child's records. A non-custodial parent may request and receive a copy of the child's records, including progress reports, progress book parent access, report cards, and attendance records; however, step-parents, grandparents, and significant others have no rights to records, reports, or conferences unless the custodial parent or court order grants these rights to them. All school communication will go directly through the custodial parent.

### **Residency Requirement**

---

Galion City School requires proof of residence, which would include the following: utility bills such as cable, phone, gas, or electric, a lease or purchase agreement, and a notarized statement from the person the family is residing with accompanied by any of the above-mentioned documents. Residency must be established before admission is complete. All changes in residency must be reported to the school office within a reasonable amount of time.

Questions concerning residency may be referred to the Crawford County Truancy Officer. Open enrollment forms may be requested to allow the student to remain at the present school through the remainder of the current school year.

### **Homeless students**

---

Students who meet the Federal definition of homeless may enroll and will be under the District Liaison Homeless Children about enrollment procedures. Homeless students will be provided with a free and appropriate public education like other students served by the GCS. Homeless students can receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs.

Homeless students will not be denied enrollment based on lack of proof of immunization and medical records requirements; residency requirements; missing birth certificates, school records or other documentation, guardianship issues; or uniform and dress code requirements. For Galion City Schools 2021-22 Intermediate

For School Handbook additional information, contact the GCS liaison for Homeless Students @ 419-468-3432. The following forms are needed for every child registered in the school: Final Forms Registration Link Registration Instructions.

---

**Student Suspension/Expulsion from another Public School in Ohio**

---

A student suspended or expelled by another public school in Ohio may be temporarily denied admission to the GCS during the period of suspension or expulsion, even if that student would otherwise be entitled to attend school at GCS. Likewise, a student expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired may be temporarily denied admission to GCS during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District.

However, prior to denying admission, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other relevant factors.

If a student has been recently discharged or released from the custody of the Department of Youth Services (DYS) and is seeking admittance or re-admittance into the District, the student will not be admitted until the following records, which are required to be released by DYS to the Superintendent, have been received:

1. an updated copy of the student's transcripts;
2. a report of the student's behavior while in DYS custody;
3. the student's current IEP, if one has been developed for the child, and
4. a summary of the instructional record of the child's behavior.

---

**Waiver of School Fees Application**

---

Please complete this form completely for each child if you want to apply for a waiver of your school fees. School fees may be waived if your child qualifies for free lunch and you give permission to the district to "share" forms. Please contact the office if you have any questions. You will be notified if you qualify for the waiver.

---

**Optional Insurance Program**

---

An optional insurance program is available. Please see the office for more information.

---

**LEP (Limited English Proficient)**

---

A Home Language survey is completed at the time of initial enrollment.

---

**Withdrawal of Pupils**

---

When you are planning to move, it is essential that the school be notified as soon as possible.

---

**Transmission of Student Records**

---

Student records may be transmitted via facsimile and/or electronic mail within the Board of Education guidelines provided for student records.

## **ATTENDANCE, TARDY and EARLY DISMISSAL POLICY**

### **Philosophy of Attendance If Your Child is Absent/Tardy**

---

Please visit the Galion City Schools District web page for further information regarding attendance. The attendance policy can be found on the following link: [Attendance Policy](#). Galion Intermediate School will notify the parent/guardian of an absent student within 2 hours of the start of the school day.

### **Court Appearances, Child to Work Day, Vacations**

---

Court appearances, Child to Work Day, hunting, vacations, etc., fall under the vacation guidelines and must be pre-approved to qualify as excused.

Take Your Child to Work Day must be pre-approved to qualify as an excused absence. It will be the student's responsibility to obtain permission slips from the office so the parents, prospective employer, and school can approve them in advance. All permission slips must be pre-approved in order for the absence to be excused. Students who have missed more than five (5) days of school will not be considered for an excused absence.

Galion City Schools believes and recognizes that Take Your Child to Work Day can be a valuable program for students to participate in; however, we also recognize that it is important for students to be in school. Most visitations can be done during the summer months so that the school day is not interrupted. Students may be required to give an oral or written report to demonstrate learning.

While we do not encourage vacations during the school year, if absences are minimal and prior approval has been obtained, absences may be excused for students to accompany their parents. Vacation days count towards the maximum number of days a student can be absent from school. Vacation days should not result in a child accumulating excessive absences. The make-up work policy applies to absences due to an approved vacation. The parent and student must consult with the teacher(s) before and after the absences.

### **Steps to follow when your child is absent:**

---

The parent or guardian should contact the school in the morning on the day of the absence by calling the school at 419-468-3676, option 1. The parent may also send a written note on the day of the absence. If the parent has not contacted the school, the student must have a written note signed by the parent or guardian upon return. This note should include the following information: the child's name, date, day(s) of absence, and the reason for the absence. The absence is considered unexcused if we do not receive a phone call or written note.

If no call or written excuse is received, we are required to call the student's parent or guardian to confirm the student's absence as part of the Child Abduction Law. Other numbers listed on the blue emergency card will be used if no contact is made. It is vitally necessary that we have a contact phone number at all times. If your phone number is unlisted, please give that information to the office. An automated phone system will make the initial contact to verify absence. If we do not get a response, a postcard concerning your child's absence will be sent to your home address if we cannot reach you.

### **Students Transferring Into District**

---

Absence reports from previous schools will follow students, and the number of days missed from previous schools will be applied. While we want the student to start anew with us, we are subject to state attendance guidelines. Refer to the "Attendance" section.

### **Homebound Instruction**

---

The school may arrange for individual instruction for students who cannot attend school because of an accident, illness, behavior, disability, or some other reason. Such instruction may be arranged upon receipt of documentation of the student's condition from a physician. For more information, contact the building principal.

### **Tardy / Early Dismissal**

---

Tardy is defined as any student arriving after the tardy bell rings at 8:05 a.m. Early Dismissal is defined as any student leaving the building before 3:05 p.m.

Early dismissals for reasons such as private lessons or after-school activities are considered unexcused. Students arriving late for school must report to the school office.

## **STUDENT SAFETY**

A variety of safety drills will be conducted throughout the school year so that students and staff are prepared in case of emergencies. Safety drills may include fire drills, tornado drills, lockdown procedures, and evacuation drills.

All exterior doors, except the front door, will be locked during the school day.

All visitors should report to the office.

### **Closing of School / School Delays**

In the event of a school closing due to snow or other emergencies, an electronic call system will be used as the primary source of information related to school closings, delays, and district emergency information, which will be delivered to the phone number on file. School-related closings or delays can also be accessed on the district webpage, Facebook page, or Galion Intermediate School Facebook page. You may also tune into the following radio stations in the area to be notified of the closing: WQEL 92.7FM/WBCO 1540 AM Bucyrus; WMFD TV 68/WVNO 106.1 FM Mansfield; Please DO NOT call the principal, teachers, or the school. Parents and students are responsible for knowing about emergency closings and delays.

### **Evacuation Drills**

Students may practice procedures for evacuation from the building and campus.

### **Fire and Tornado Drills**

We have fire and tornado drills for the safety of the children. If there should be a storm at dismissal time, children will be kept in the school until we feel it is safe to dismiss them. It would be helpful to discuss with your children where to go if you are not at home.

### **Safety Drills: Intruder & Lockdown Drills**

We will practice safety drills during the school year. It would be helpful if you would discuss this also with your child, as practicing for these allows students and staff to prepare in case of a real emergency.

## **STUDENT SUPPORT & PARENT COMMUNICATION**

### **Automated Calls**

An automated call system will send communication from the district and individual buildings. This information will include safety alerts, announcements, and important reminders. Please be sure to keep your telephone number updated.

### **Facebook**

Galion Intermediate School uses its Facebook page as a communication tool for parents. The School's Website, [www.galionschools.org](http://www.galionschools.org), is a great resource for parents. Click on the Intermediate link to get specific information about our school.

### **Involvement and Support of Parents/Guardians**

We believe that the behavior and success of students in school is the responsibility of the child, his/her parents, and the school. Parents and the school must work together to ensure student success. We want to work closely with you to eliminate potential behavior and academic problems. We expect that parents will cooperate with and support the school system. Inappropriate or threatening behavior by parents or other adults on the school premises may result in limited or no access to the building.

When your student is assigned homework, requires additional intervention, or needs some guidance with discipline, communication between school personnel and parents is essential to ensure student success. Encourage your child to share with you the experiences of the day. If problems or questions arise, please contact your child's teacher first. If you still have concerns, please contact the principal to set up a conference.

## Parent/Teacher Conferences

---

Parent-teacher conferences are scheduled in October/November each school year and again in the spring. The October/November conferences are teacher-led or student-led and will allow students, parents, and/or teachers to discuss student progress, study habits, successes, and concerns. Communication between the school and home will help your child get the most out of their education. Teachers and parents are encouraged to request conferences on an “as-needed” basis throughout the school year. Please send a note to your child’s teacher(s), or call the office to schedule a meeting time before or after school.

Fall conferences are encouraged for every student at the Intermediate. Spring Conferences are scheduled primarily for students struggling with academic and/or behavior issues or to discuss other concerns.

We understand that daily concerns may arise. If concerns cannot be discussed through a note, phone call, or the agenda, please contact the office to schedule an appointment to meet with the teacher. Parents are not permitted to interrupt daily instruction or the start of the school day. The office will attempt to help facilitate a time to meet with your child’s teacher(s) when needed. Your cooperation is appreciated.

## Canvas

---

Canvas is the learning management system (LMS) for the Galion City School District. Teachers will use this LMS to communicate with parents/guardians regarding grades, assignments, updates, notifications, etc. Parents will be provided with login information at the beginning of the school year.

## Community Counseling

---

Crawford County Community Counseling Services are offered at the convenience of families in Galion City Schools and are available during the school day at the Intermediate School. The parent are responsible for making the initial referral and making arrangements for intake. This service is not provided by the school.

## School Social Worker

---

A school social worker provides his/her services as a convenience to families at Galion Intermediate School during the school day. An initial referral can be made by parents or school personnel. ~~Parents will be contacted before the student speaks with the social worker.~~

---

---

Fees are not prorated. District policy will determine consequences for school fees that have not been paid in full. ~~Students may not be permitted to participate in school field trips and/or other daily school related activities unless all fees have been paid in full. ## **GRADING SCALES AND PROCEDURES**

The administrative guidelines, philosophy, and practices for grading and reporting can be found on the GCSD website under the Board of Education Bylaws and Policies. Policy: 5421A

At Galion Intermediate School, grades are used to communicate each student's understanding of grade-level learning standards and academic progress. Teachers use professional judgment to ensure grades reflect individual student learning and mastery of skills, rather than simply assignment completion. Grades are connected to Ohio Learning Standards and are intended to provide clear feedback that supports student growth and achievement.

### **Grade Cards/Progress Reports**

---

Student grade cards are issued four times throughout the school year according to the board's adopted grading scale.

Progress reports may be issued throughout the school year, typically for students receiving deficient grades.

Parent access through Canvas gives parents daily information in grades 3-5 so they can monitor their child's progress continuously.

### **Promotion / Placement Policy / Retention**

---

A student will be promoted to demonstrate sufficient proficiency to permit him/her to advance in the next grade educational program. The students must also demonstrate the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

A student may be retained if he/she is truant for 10% or more of the required school days and/or has failed at least two courses unless the principal and the teachers of the failed subjects determine that the student is academically prepared to be promoted. Students may be placed when they have not met the criteria for promotion or retention.

Students performing below grade level, showing deficits in building and/or statewide assessments, demonstrating Limited or No Progress in Standards-Based Reporting, or have missed more than 12 days of unexcused absences may be placed in the next grade level.

## **Individuals With Disabilities**

---

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student but to all individuals who have access to the District's programs and facilities.

The Galion School District provides various special education programs and services for students identified as having a disability, as defined by the Individuals with Disabilities Education Act (IDEA).

A student can access Special Education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required, and more importantly, the school wants the parent to be an active participant. A parent should contact the principal to inquire about the procedure or programs.

Parents who believe their child may have a disability that substantially limits major life activities of their child should contact the principal to initiate the Response to Intervention Process.

The services of the school psychologist, nurse, speech/hearing therapist, physical and occupational therapists, and elementary counselor may be available to students as requested.

## **Title I Support**

---

Title I is a federally funded program that supports students and families in the areas of Reading/Language Arts and Math. Currently, all students receive this support.

## **Parents Right to Know**

---

The Federal Law, ESSA, requires that any school receiving federal Title I assistance must notify parents that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

- Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
- Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
- The teacher's college degree major and any other graduate degree or certification (such as National Board Certification).
- Whether your child is provided services by instructional paraprofessionals (sometimes called teachers' aides) and their qualifications.

You may request this information by contacting your school principal. Please give the child's full name, the parent's full name, and the name of your child's teacher.

The principal will then prepare and send the teacher qualification information that you have requested.

## **Equal Education Opportunity**

---

This district provides equal educational opportunity for all students. Any person who believes that s/he has been discriminated against on the basis of race, color, disability, religion, gender, or national origin while at school or at a school activity should immediately contact the Superintendent, who is the School District's Compliance Officer.

Complaints will be investigated by the procedures described in Board policy. Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunities.

## **SCHOOL LUNCH & BREAKFAST PROGRAMS**

All students will have the opportunity to be served lunch every day at no cost to families. ALL students will receive FREE breakfast and lunch under the Community Eligibility Program (CEP).

Save time and money knowing your child/children are enjoying nutritious, well balanced meals at school each day. A la carte items will still be available for purchase at Intermediate, Middle and High School.

With prior approval, students may only leave for lunch with a parent, guardian, or family member. Occasionally, students may leave with a staff member, but only with prior approval.

Galion City School District's breakfast and lunch program aims to provide children with healthy meals during the school day. In order to serve healthy, high-quality meals to all children, we must ensure financial security. You play a key role in this effort and are responsible for purchases made by your child in our school cafeteria. That is why we will be implementing the following School Meal Charging Policy. If you have any questions, please call the Food Service Department at 419-468-6500 Ext 11016.

### **Lunch Charge Policy**

District software, Pay Schools Central, allows parents to track their student's balance and deposit money into their accounts. We encourage all families to set up a low balance alert notifying them of a low balance on the lunch account and/or set up the auto-replenish feature to automatically add funds when the lunch account reaches a set point.

---

A la carte items are available for purchase at Intermediate.

If you would like to discuss your student's lunch account at any time, call us at (419) 468-3432 ext. 11016. Any limits or restrictions on a lunch account must be made in writing and can be emailed to [hunter.dawn@galionschools.org](mailto:hunter.dawn@galionschools.org).

### **Account Balances**

All account balances, positive or negative, are automatically carried over to the next year. When students leave the district or graduate, we will attempt to transfer the remaining funds to a sibling or refund outstanding balances.

The Food Service Department will absorb the remaining unclaimed funds after three months.

Free/Reduced Lunch applications are available in the dining section of our district website, and paper copies can be obtained from any school office.

### **Point of Sale**

The process is a computerized cafeteria system that will move students through the cafeteria line more quickly, allowing more time to enjoy their lunch. This system allows students eligible for free or reduced lunches to remain anonymous, as all students will use a PIN number. Here is how the system will work:

- Students will be assigned a PIN number.
- Parents/students will make deposits recorded on the cafeteria system and sent to the student's account.
- Each student will enter their PIN number when making cafeteria purchases, and the cost of their purchase will be deducted from their account.

### **Food allergies**

School policy requires parents to have a child's doctor provide the school with written information regarding the child's allergies/health condition and what restrictions will be provided. The Emergency Medical Form shall include information on symptoms, dietary restrictions, and actions to be taken in the event of an exposure. The parent is to notify the school of the child's allergy/health condition and update at least annually by submitting a medical statement that includes:

1. The medical or special dietary condition which restricts the child's diet;
2. The food or foods to be omitted from the child's diet and
3. The food or choice of foods to be substituted.
4. The script needs to document that the allergy is life-threatening for school substitutions to be made. (Care of Students with Chronic Health Conditions – GCS Policy #5335)

---

## **HEALTH / MEDICAL**

---

### **Bed Bugs**

Bed bugs are a nuisance, but their bites are not known to spread disease. Even though it is unlikely for bed bugs to infest a school, the district will take precautions as necessary. Bed bug monitors are located in every classroom. This will prevent these pests from spreading from one person to another. If a bed bug is found on your child, we will bag up all of your child's belongings during the school day, including coat and backpack, and locate them within their cubbies. You may also be asked to bring an extra change of clothing each day. A letter will be sent home, and you must verify when your house was exterminated.

---

### **Head Lice**

Pediculosis (head lice) – excluded until initial treatment with pediculicide shampoo. The school nurse, trained school personnel, or the city health department **MUST CHECK STUDENTS** before re-admittance to school. Parents or guardians are responsible for treating head lice so that students miss a minimum amount of school. Once students are treated, the parent will need to meet with the school nurse or trained school personnel and provide evidence, such as the empty shampoo bottle or box, to prove the child has been treated. The nurse will check to ensure no signs of nits and/or lice. Parents will be asked to retreat the child in 7-10 days. The school nurse will recheck the child to ensure there is no evidence of new eggs or lice. If there is evidence of new nits or lice, the child will be removed again, and proof of treatment will be required again.

---

### **Health Concerns**

If your child has health concerns, please indicate them on the Emergency Medical Form. Please also indicate steps to be taken by school personnel. This includes medical conditions, medications, and allergies. Please update the school if this changes over the course of the school year.

---

### **Student Illness**

No one with early symptoms of a possible communicable disease should attend school and should not return until they are symptom-free and have maintained a normal temperature for a twenty-four-hour period of time.

1. The following conditions require students to be excluded from school:
  - a. Suspicious skin eruptions, intense itching, and/or rashes of undetermined origin are excused until the rash subsides; if out longer than three days, a doctor's written statement is required.
  - b. Conjunctivitis (pink eye) – readmitted after treatment for twenty-four hours with antibiotic eye medication and/or no evidence of discharge in the eye.
  - c. Fever (elevated oral temperature of 100.0 or above) readmitted after temperature is normal for a 24-hour period of time.
  - d. Vomiting or diarrhea – excluded until symptom-free for a twenty-four-hour period of time.
2. School administration may request written medical verification that students are free of suspected communicable diseases to return to school.
3. Families of students with chronic health concerns should contact the school principal/and health nurse to develop ongoing health care plans.

## **Medication during the School Day**

---

Under state law, the dispensation of prescribed medication to our students during the school day will be as follows: a Medical Administration form must be obtained from the school office. You and your physician must complete this form and return it to the school before administering any prescribed medication. A Parent Request for Administration of Over-the-Counter Medication form must be filled out and turned in to the office with any over-the-counter medication, including cough drops before any medication is given at school. All medication must be age/weight appropriate unless otherwise prescribed by a doctor.

Students are prohibited from taking medication, including EpiPens, on their person during the school day, except inhalers. Students carrying inhalers must also complete prescription medication forms in the office. All medication, prescription or nonprescription, must be turned in to the office in its original container immediately when a student enters the school building, along with proper forms. Students are prohibited from carrying medication on the bus or in their backpacks to or from school. It is the parent's responsibility to pick up the remaining medication at the end of the year, no later than one week after the closing of school for summer. The remaining medications will be discarded appropriately after that date. Inhalers must also be labeled with the student's name. Medication administration procedures or doses cannot be changed without permission from the prescribing doctor. Any necessary changes can be faxed to the Board of Education at 419-468-4333.

## **BEHAVIOR, DISCIPLINE, POLICIES & PROCEDURES**

### **PBIS - Positive Behavior Interventions & Supports**

---

Positive Behavior Interventions and Supports is an evidence-based program implemented school-wide to create a positive environment. PBIS uses proactive strategies for defining, teaching, and supporting appropriate student behaviors to improve school safety, student behavior, and academic achievement.

Students are rewarded for their positive behavior by participating in weekly activities and receiving other positive behavioral support. Students may be excluded from field trips, field days, assemblies, behavior incentive activities, and/or special classroom activities depending on the frequency and severity of the inappropriate behavior. Most of the time, this will include an extra recess but may include some surprise activities such as a movie, popcorn, ice cream, or a visit from a special guest. Students look forward to these incentives and enjoy their recognition. Students can earn tickets throughout the week that are placed in tubs for weekly drawings. The student's names are selected, and prizes are given. We ask that our families support our Code of Conduct so our students understand that their families and schools are working together to provide a safe and positive learning environment for all students.

### **Restorative Practices**

---

Galion Intermediate School believes in building positive relationships and helping students learn from mistakes. In addition to disciplinary consequences, restorative practices may be used to help students reflect on their choices, repair harm, and restore relationships with others.

Restorative practices may include:

- Restorative conversations with staff or peers
- Reflection activities
- Problem-solving meetings
- Peer mediation
- Classroom or small group circles
- Check-ins/check-outs with trusted adults
- Opportunities to repair harm caused by actions or behaviors

The goal of restorative practices is to teach accountability, strengthen relationships, build empathy, and support students in making positive choices moving forward. Restorative practices may be used alongside other disciplinary actions when appropriate.

Families are encouraged to partner with the school in supporting student growth, communication, and problem-solving. Together, we can help students develop the skills needed to be successful in school and beyond.

### **Check-In/Check-Out Cards**

Students coming back from suspension or having continuous behavior issues will be placed on a discipline card. They will remain on the card for at least five days. The card must be shown to each teacher during the school day to be discussed, scored, and initialed. Teachers will also note positives for the student on the card throughout the day. Parents/guardians will be notified when their child has been placed on a CICO card.

### **Student Conduct**

---

The purpose and intent of this Code of Conduct is to maintain an appropriate educational climate. Violation of the Code of Conduct may result in a verbal warning, written warning, referral to a school counselor, parental contact or conference, recess detention, lunch detention, in-school detention, after-school detention, community service, emergency removal, referral to law enforcement agencies, suspension (up to 10 days) or expulsion. The Superintendent is the only individual who may impose an expulsion. In addition, this Code of Conduct includes:

1. Misconduct by a pupil that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and
2. Misconduct by a pupil that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.
3. Unruly charges may be filed in juvenile court against a student who continually violates the Student Conduct Code.
4. Students are duly informed that security cameras may monitor their behavior on school property, school buses, and adjacent property.

### **Misconduct for which Suspension (1-10) or Expulsion (1-80 days) may be imposed**

---

Students on suspension are to remain at home during school hours. Their absence is unexcused. The student may make up work missed and earn credit (e.g., quizzes, tests, reports, etc.).

During a period of suspension/expulsion, a student is restricted from participating in or attending all school classes, programs, extracurricular activities (including practices, games, or performances), and graduation ceremonies. A suspension officially begins at 12:01 a.m. on the first designated suspension day (unless emergency removal of the student occurs, in which case the suspension beginning is designated as the time of removal) and ends at 12:01 a.m. on the first day to follow the last day of the suspension period.

A suspension beginning during one week and extending into the following week restricts the student from attending or participating in any school-sponsored activities over the weekend.

### **Disciplinary Actions**

---

#### **Lunch/Recess Detentions**

Students may be assigned a recess and/or lunch detention held throughout the lunch and/or recess period. An adult supervises detentions.

#### **After-School Detention**

Students are expected to be prepared to study while at school. Parents will be notified if a student disrupts classroom procedure or our school behavior expectations. No student will be kept after school without written consent or a phone call home to parents. Parents should be given one day's notice. Parents are expected to cooperate in correcting the situation. After-school detentions are typically run on Wednesdays (with exceptions as needed). These will be held after school until 5:00 p.m.

#### **Removal from Class**

A teacher may temporarily remove a student from a class. The seriousness of the offense, the student's attitude, and the number of previous offenses are all factors determining the final resolution. The teacher must write the reasons to the principal as soon as practicable after the removal.

#### **Emergency Removal**

When circumstances are such that a student's continuing presence in school is reasonably certain to pose a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within the classroom or elsewhere on the school's premises, or at school-sponsored or related activities or events, the Superintendent, Principal, or the Principal's designee may remove a student from curricular or extracurricular activities or from the school premises, without complying with the notice and hearing requirements of suspension and/or expulsion. If a student is removed under this provision, written notice of the reason(s) for the

removal and written notice of the hearing to be held regarding the removal shall be given to the student as soon as practicable before the hearing. The hearing will be held within seventy-two (72) hours from the time the initial removal is ordered. The hearing shall be held according to the procedure set forth for suspensions and expulsions.

### **In-School Detention**

ISD may be imposed as a disciplinary action to positively change a student's behavior. For an In-School Detention, credit may be given for all classroom assignments.

### **Out-of-School Suspension**

A principal may suspend a student from classes for one (1) to ten (10) days. The home is to be notified of the suspension. The student may make up missed work.

### **Expulsion**

The Superintendent of Schools may expel a student for the duration of the semester in which the action was taken. Before a suspension or expulsion occurs, a parent-administrator conference may be held to present all facts relating to the incident. Following the parent-administrator conference, a written notice from school officials will notify parents or guardians stating the reasons for removal from school and the duration of the suspension or expulsion.

### **Student Code of Conduct (Adapted from Policy 5500)**

---

The goal of the Code of Conduct is to create conditions that foster student self-discipline in a warm, supportive school climate that is conducive to maximum learning for all students. The Code of Conduct is a general guide for behavior, not a mechanism for rigid control. The individual personalities of students or extenuating circumstances will be considered before corrective measures are prescribed.

Notice: The use of video surveillance equipment may be used in the investigation of violations of the Code of Conduct. Students may receive discipline as a result of what is recorded.

#### **Rule 1 - Academic Dishonesty**

A student shall not engage in any act of cheating, plagiarism, or academic dishonesty, including but not limited to the removal and/or change of any school records. Students shall only use artificial intelligence programs with explicit teacher or building administrator approval. When two students are knowingly involved in the sharing of work, both students may receive consequences.

#### **Rule 2 - Bomb Threat / False Alarm / Causing Panic**

Any threat (For example, verbal, written, or electronic) by a person to bomb or use other substances or devices to explode, burn, or cause damage to a school building or school property or to harm students or staff is prohibited. Any attempt to create a false alarm (For example, setting off a fire alarm), cancel a school day or events, or any action that may cause fear or panic is prohibited. This may result in a police referral.

#### **Rule 3 - Bullying / Cyber-Bullying**

Any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another student(s) that causes mental, emotional, or physical harm to the other student(s) and is severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s). (Board Policy - 5517.01)

#### **Rule 4 - Discriminatory Behavior**

A student shall not harass, haze, intimidate, degrade, disgrace, disparage, incite, urge, provoke, threaten, or discriminate based on a student's race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, ancestry, or genetic information (See Board Policy 5517, 5517.01). Prohibited discrimination occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's sexual orientation/gender identity, religion, race, or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such discrimination may occur where conduct is directed at the characteristics of a person's sexual orientation/gender identity, intellectual abilities, religion, race, or color, such as racial slurs (use of the N-word), nicknames implying stereotypes, epithets, and/or negative references relative to racial, ethnic, or religious customs.

**Rule 5 - Intimidation / Harassment / Menacing**

Harassment, intimidation, or bullying toward a student or school personnel, whether by other students, staff, or third parties, is strictly prohibited and will not be tolerated (See Board Policy 5517, 5517.01). Harassment, intimidation, or bullying means Any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once. The behavior both causes mental or physical harm to the other student(s). It is sufficiently severe, persistent, or pervasive, creating an intimidating, threatening, or abusive educational environment for the other student(s) or violence within a dating relationship. Furthermore, an "electronic act" means an act committed using a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

**Rule 6 - Class Cutting, Punctuality, Tardiness, Outside of Assigned Area**

All students are expected to be on time for school and each class unless illness or a delayed school bus prevents timely attendance. Students shall be present in all or any portion of the regularly scheduled classes or other mandatory activities with school authorization. A student is considered tardy to the first period if they are outside their assigned seat when the late bell rings. A student is considered absent from a class if they miss the first 15 minutes of class. A student shall not be absent from school without parental and school approval. Students who are excessively absent or habitually truant may be subject to an absence intervention plan, which may result in the district filing a complaint with the Juvenile Court. Both the student and parent will be charged if found in violation. Students leaving the building must first report to the main office and sign out. They must sign out to leave and sign in upon their return. Students who leave at noon and do not expect to return in the afternoon must also report to the main office for permission to leave school. A principal or secretary must approve before a student is to sign out.

**Rule 7 - Complicity / Aiding / Abetting**

A student shall not actively or passively aid, abet, act as an accomplice of, and/or otherwise encourage others to violate the rules contained in the Code of Conduct. Violations can be and are not limited to actions that encourage students to break the rules.

**Rule 8 - Misuse of District Information and Technology Resources / Tampering / Violation of the Acceptable Use Policy (AUP)**

A student shall not alter or attempt to change another individual's data by using their login information, individual devices, or computer network system software, placing unauthorized information, computer viruses, or harmful programs on the system, and disrupting the operation of the individual devices/network in any way (For example chat-rooms, hate mail, harassment, profanity, vulgar statement, discriminatory remarks, proxy servers, inappropriate sites that contain pornography, online gambling, looking up weapons, alcohol, drugs, ammunition, drug/alcohol paraphernalia, e-cigarettes, etc.). Students shall not use other student's school-issued devices or accounts. Students shall not violate the acceptable use policy of the district. Students found violating this article will lose the privilege to use school devices and face school discipline, including suspension. Students shall only use artificial intelligence programs with explicit teacher or building administrator approval.

**Rule 9 - Damage to Property**

A student shall not cause or attempt to cause damage to school property or private property, through improper use or otherwise, on school premises or during school activities conducted on or off school grounds. Restitution will be made by the student(s).

**Rule 10 - Disrespect**

**Rule 11 - Disruption**

A student shall not cause any disruption of any classroom activity or the operation of the school or the educational process and shall not engage in any activity that is potentially harmful to the health, welfare, and safety of the student themselves, other students, or staff. Students shall not engage in excessive displays of affection on school property.

**Rule 15 - Failure to Accept Discipline / Serve Discipline**

Students shall not refuse to accept discipline or punishment assigned by teachers, substitute teachers, educational aides, bus drivers, principals, or other appropriate school personnel. Refusing to serve an in-school suspension, misbehavior while serving school discipline, failure to report for assigned detention, and/or walking out of the principal or assistant principal's office while discussing or receiving discipline will not be tolerated. The student may be required to serve the original consequence and further disciplinary action.

**Rule 16 - Failure to Provide Evidence / Providing False Information**

Students are expected to be honest concerning violations of the code of conduct and to assist school officials in establishing the truth about a possible violation of the Student Code of Conduct. Students are expected to cooperate with school officials to establish the facts concerning an incident. Students shall not give or assist in providing false or fictitious accounts to any school official, staff member, and/or faculty.

**Rule 17 - Firearms Look-a-Likes**

Any item that resembles a firearm but does not have the explosive characteristics of a firearm but may use spring-loaded devices or air pressure by which to propel an object or substance (For example, toy guns, cap guns, BB guns, pellet guns) in the school building, school grounds, school property, and at school functions is prohibited. ### **General Information for Equal Education**

This district provides an equal educational opportunity for all students. Any person who believes that he/she has been discriminated against based on race, color, disability, religion, gender, or national origin while at school or at a school activity should immediately contact the Superintendent as the School District's Compliance Officer. Complaints will be investigated by the procedures described in board policy. Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunities.

---

### **Harassment & Bullying**

The school believes that every individual deserves to be able to come to school without fear of demeaning remarks or actions. Bullying and/or harassment of other students, members of staff, or any other individual is not permitted. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment.

See Policy 5517 for further information.

---

### **Dress Code Guidelines**

Galion City Schools expects students to dress suitably for school without compromising their health or safety. Students may continue to participate in the campus wear program; however, if they wish not to participate, students must conform to the guidelines below. We revised our procedures with the leadership of students, parents, staff, administrators, and board members to ensure that:

1. Student attire assists in creating a safe learning environment in classrooms.
2. Dress code enforcement does not hinder school attendance.
3. Students can wear comfortable, personal-choice clothing, with the exceptions listed in Section 3.
4. The administration can approve exceptions to the items below.

---

### **Backpacks**

Students may use book bags to transport books and materials to and from school. However, all bookbags and backpacks must be stored in the owner's cubby. Bookbags are not to be carried to class during the school day.

---

### **Section 1 - All students must cover certain body parts at all times**

1. Clothes must fully cover private parts, buttocks, the chest, and the stomach with opaque (not see-through) fabric.

---

### **Section 2 - While following Section 1 above, students must wear**

1. A shirt with fabric in the front, in the back, on the sides, over the shoulders, and under the arms AND
2. Pants, jeans, or the equivalent (for example, skirts, sweatpants, leggings, dresses, shorts, etc.) AND
3. Appropriate footwear to the grade level or class:
  - a. For grades PreK-5: Shoes must have a stiff sole and cover the entire foot.
    - i. Crocs and sandals are permitted when the heel straps are engaged.
  - b. For grades 6-12: Shoes must have a stiff sole.
    - i. Crocs and sandals (without heel straps) are permitted except where mentioned in Number 4 below.
4. Periodic assignments, such as public speaking, job readiness, or classroom safety requirements, such as PE class, science labs, industrial technology, etc., may require specific attire and/or footwear covering the entire foot.

---

### **Section 3 - Students Cannot Wear**

1. Items from Section 2, Number 2, with holes that present a safety issue or violate Section 1.

2. Clothing must cover undergarments.
3. Footwear presenting a safety hazard, such as slippers, flip-flops, cleats (except on athletic fields), and other features that interfere with walking or running or have the potential for injury (excessively high heels, “wheelie” heels, etc.).
4. Violent language, violent images, hate speech, profanity, pornography, and/or images/language that create a hostile/intimidating environment based on any protected class or marginalized groups.
5. Images/language depicting/suggesting drugs, alcohol, vaping, paraphernalia, or any illegal item/activity.
6. Bulletproof vests, body armor, tactical gear, facsimiles, or other items that would cause panic.

8. Personal accessories that pose a danger to others or have potential as a weapon.
9. Items covering the face or ears (except as a religious observance or protective equipment).
10. Any clothing or accessories that cause a school disruption or pose a risk of disruption.

#### **Section 4 - Enforcement**

---

Creating a comprehensive list covering every potential student dress code issue is impractical. The administration will have the final say on unclear dress code violations. They will take necessary action, including contacting parents for support. Students in violation must switch to acceptable attire, and repeated offenses can lead to disciplinary action.

#### **Section 5 - FAQs**

---

Q: Can I wear spaghetti straps to school?

A: The guidelines specify that shirts must have fabric in the front, in the back, on the sides, over the shoulders, and under the arms, so spaghetti straps would not be permissible under these guidelines.

---

Q: Are ripped jeans allowed?

A: Ripped jeans that reveal undergarments or have holes large enough to reveal undergarments, private parts, and/or buttocks cannot be worn. Ripped jeans with holes large enough to pose a snagging or other safety hazard cannot be worn.

---

Q: What about clothing not mentioned in the rules above?

A: As long as students meet the requirements in Sections 1 and 2, they can wear personal choice clothing.

Students must:

1. Wear clothing that fully covers private parts, buttocks, the chest, and the stomach with opaque (not see-through) fabric, they wear a shirt with fabric in the front, in the back, on the sides, over the shoulders, and under the arms AND
  2. Wear pants, jeans, or the equivalent (for example, skirts, sweatpants, leggings, dresses, shorts, etc.) AND
  3. Wear appropriate footwear to the grade level or class AND
  4. Not wear clothing or accessories that cause a school disruption or pose a risk of disruption
- 

Q: Can I wear crocs and sandals?

A: There are more specific guidelines for younger and older students.

For grades PreK-5, Crocs can be worn as long as they are in “sport mode” with the heel strap engaged. Sandals can also be worn as long as they have a heel strap. Because many students run at recess and the playground area has rubberized mulch, students would not be able to wear slides, flip flops, or other footwear that does not have a heel strap. This kind of footwear may present a safety hazard.

Crocs and slides can be worn for students in grades 6 through 12, except for certain classes where safety is a concern.

---

Q: What's the difference between flip-flops, slides, and Birkenstock-type footwear?

A: In our district, footwear must have stiff soles. Students in grades PreK-5 must have a heel strap, but there is no requirement for having a heel strap in grades 6-12. Because of the activity level in different grades, specific footwear may present a greater safety hazard than other footwear.

For instance, flip-flops generally have a soft sole and are poorly constructed. Flip-flops are affordable footwear, but the lack of durability increases the risk of injury. For our younger learners, flip-flops can break or fall off when

they run at recess. This type of footwear is more prone to failure, resulting in a greater possibility of injury. The soft sole makes them a puncture hazard for students of all grade levels.

Slides and Birkenstock-type footwear without a heel strap are not permissible for our students in grades PreK-5 because they lack a heel strap. If Birkenstock-type footwear has a heel strap, students in Pre-K-5 can wear it. Students in grades 6-12 can wear slides and all Birkenstock-type footwear except for specific times or classroom safety requirements, such as public speaking, job readiness, PE class, science labs, industrial technology, etc.

---

Q: Are there any restrictions on hats or head coverings?

A: Items covering the face or ears are prohibited unless they are for religious observance or protective equipment. To maintain a safe environment, hoods and hats cannot be worn so that our security cameras can view students, staff, and visitors.

## **TRANSPORTATION MANAGEMENT POLICIES**

### **Eligibility**

---

It is the policy of the Galion City Schools to transport eligible students to and from school. Eligible students are defined as Elementary, Middle, and High School students and public or private students who live outside the designated walking areas. Eligible students will be assigned to a bus and will follow the transportation rules and regulations under the school bus driver's authority and responsibility to ensure the safety and welfare of all school bus passengers.

### **Bus Rules**

- 
1. Children must have written communication from both parents for permission to ride the bus home with another student. The principal must sign the bus pass or both notes if the students are riding the bus. Bus passes are available in the office.
  2. Any bus student with permission to walk home must have a written permission slip from a parent or guardian.
  3. Students must follow all bus rules listed in the Student Code of Conduct/Transportation Pamphlet, including student behavior during any wait time or transfers for shuttle buses. Appropriate behavior is expected at all schools, and problems will be communicated to the home school as necessary. Violation of the bus rules could result in the following, based on the severity of the offense: Warning, Lunch Detention, Recess Detention, After School Detention, Loss of Bus Riding Privileges.
  4. Riding the bus is a privilege, and students must demonstrate respectful behavior and not impede their safety or that of others on the bus. Appropriate and safe student behaviors are expected at bus pick-up and drop-off areas. Please notify the school office when problems arise so we can try to assist you. We recommend that parents or adults supervise students at the bus stops when possible and assist school personnel in ensuring safe behavior at the bus stops.

Each Elementary School has a school-wide discipline plan that reinforces the student code of conduct and outlines building specific student expectations and disciplinary levels. It also provides an opportunity to recognize students who demonstrate appropriate behaviors consistently. You will find this information in the NEW Bus Transportation Pamphlet.

### **Stops: Loading and Unloading**

---

Students should never be permitted to "rush" the bus while loading or unloading, and they should not be permitted to board the bus once it has departed the school loading zone. Drivers should inform students of this rule. During the first week of school, students should be notified that they are to be at their designated stop at least five minutes before the scheduled bus stop time.

Drivers should never leave a stop before their scheduled departure time. If they arrive at a particular stop earlier than scheduled, they are to wait until the scheduled departure time to leave. Drivers are to set their watches by the atomic clock in the transportation office each morning.

Drivers are to load and unload on school grounds whenever possible. If not on school grounds, the bus should be on the school side of the road and facing the legal direction. Warning lights should not be used at the curb in front of the school.

The bus should be backed only with extreme caution and NEVER on school grounds while students are loaded or unloaded. Stationary buses and automobiles may be passed with caution on school grounds, but moving vehicles may not be passed.

DO NOT ALLOW students to get off anywhere other than their designated stop unless they have a bus pass signed by the Assistant Director. This applies to all students at all times.

DO NOT signal another motorist into the traffic flow unless you cannot avoid doing so. You may inadvertently cause an accident. The other driver may misinterpret your signal and do something you may not have intended him to do.

Never drive your bus without your driver's license readily available. Make a complete stop at all stop signs, and be prepared to yield to another driver if they do not stop. The service (front) door should always be closed when the bus is in motion.

Students should never be permitted to sit in the driver's seat or operate the service door. Drivers shall be on the bus during loading and unloading. If a driver must leave the bus, he/she must set the brake, switch the ignition off, and take the keys with them.

### **Bus Stop Designated Place of Safety**

---

Ohio Administrative Code 3301-83-13-B-6: Each pupil shall be assigned a designated place of safety on the residence side. The driver must account for each pupil at the designated place of safety before leaving. Pupils are not to proceed to their residence until the school bus has departed.

IF YOU CROSS THE STREET TO APPROACH THE BUS:

AM PICKUP:

- Wait for the bus at the designated place of safety, at least 10 feet (steps) away from the roadway.
- Watch (look at) the driver for the hand signal.
- When the driver gives a signal by dropping their hand straight down, check for traffic, then walk straight across the road 10 feet (steps) in front of the bus to allow the driver to see all pupils at all times. Enter the bus and sit in an available or assigned seat safely and quickly.

PM DROP OFF:

- Stop alongside the roadway, 10 feet (steps) away from the front of the bus. Watch (look at) the driver for the hand signal. When the driver drops their hand, proceed to the traffic edge of the bus.
- Stop at the traffic edge of the bus.
- Look for cars: left, right, left. If the bus horn sounds, there is danger; recheck traffic. If no danger is seen, look at the driver for instructions.
- Stop at your designated place of safety.
- Wait for the bus to depart, then proceed to the residence.

IF YOU DO NOT CROSS THE STREET TO APPROACH THE BUS:

AM PICKUP:

- Wait for the bus at your designated place of safety, at least 10 feet (steps) from the roadway. Wait for the bus to stop completely, the door to open, and for the driver's signal.
- Walk to the bus and sit in available or assigned seats safely and quickly.

PM DROP OFF:

- Walk to the designated place of safety.
- Wait for the bus to depart, then proceed to the residence
- Persons waiting for students are requested to wait at least 10 feet (steps) away from the designated place of safety.

### **Admission and Placement Grievance Procedure**

---

Parents and students can request a review of the admission, placement procedure, or other procedural matters. If a concern involving possible discrimination based on sex, race, color, national origin, or disability exists, a parent and/or student may contact the Galion City School District Board of Education.

## **Bus Rules and Regulations**

---

It is our privilege and pleasure to furnish eligible\* students with the safest transportation possible as they travel between home and school and on school-related trips. Safety precautions are a must to protect all students riding Galion buses. Your help is needed because safety is everyone's responsibility!

All students must understand that the bus driver is in charge of the bus at all times. Any student who repeatedly violates the safety precautions and/or bus rules may be denied the privilege of riding the bus and is subject to other disciplinary action to be determined by the Transportation Supervisor. To that end, the following conduct rules are called to your attention:

## **COMMUNICATION FROM SCHOOL**

### **Family-Teacher Contact**

---

We share responsibility for improved student achievement! Families are requested to support students through daily monitoring of homework and assignments, attendance at conferences, support of school-wide behavior plans, and regular involvement in school activities.

Students will take responsibility for their learning, homework, and assignments and follow the school behavior plan. School personnel will communicate with families, provide a high-quality curriculum, and notify families of student achievement concerns.

### **Electronic Phone System**

---

An electronic call system will be the primary source of information related to school closings, delays, and district emergency information. Please provide updated information at the office when changes occur.  
Facebook

Galion Intermediate School and Galion City Schools have a FACEBOOK page. Both are updated frequently with announcements, news released, and pictures of activities and special events. If you do not want your child's picture posted, please submit an annual note stating such.

## **ADDITIONAL INFORMATION, POLICIES & PROCEDURES**

### **Questioning of Students**

---

For more information regarding 5540 - Interrogation of Students, see Galion City School District: Bylaws & Policies.

The school is committed to protecting students from harm that may be connected with the school environment and recognizes its responsibility to cooperate with law enforcement and public welfare agencies. While the school believes these agencies should conduct their investigations off school property, investigations can take place at school in emergency situations or if the violations being investigated occurred on school property.

Before students are questioned as witnesses or suspects in an alleged criminal violation, the building administrator will attempt to contact a parent before questioning and shall remain in the room during questioning.

If a student is questioned about alleged child abuse or neglect, the building administrator will attempt to contact a parent prior to questioning and will remain in the room during questioning. If the agency investigating the alleged child abuse or neglect suspects the parent is the perpetrator, neither parent will be contacted prior to questioning, but the building administrator will remain in the room during questioning.

The building administrator will notify a parent if law enforcement or a children's services agency removes a student from school.

### **Search and Seizure**

---

For more information regarding 5771 - Search AND Seizure, see Galion City School District: Bylaws & Policies.

A student and his/her possessions may be searched at any time the student is under the jurisdiction of the Board of Education if there is a reasonable suspicion that the student is in violation of law or school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided with cubbies, desks, and other storage equipment. However, it should be clearly understood that this equipment is the school's property and may be searched whenever there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. Anything found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return confiscated items.

### **Bringing Things to School**

---

The school does not assume responsibility for items brought to school for obvious reasons. The following procedure will prove helpful to parents in this area:

We strongly encourage you not to allow your child to bring toys and electronic items to school. No electronic devices are to be brought to school under any circumstances. Trading cards are not to be brought to school and will be kept in the office for a parent to pick up.

Animals are only permitted in the school when brought by the parent and taken home immediately by the parent when the "showing" period is over. Animals are not permitted on the school bus. Prior approval by the building principal is required to assure the safety of all students.

Knives, lasers, matches, firecrackers, ammunition, squirt guns, toy weapons, mace and/or pepper gas, and adult magazines or books are strictly forbidden and may be disposed of if found.

Any of the above infractions may result in disciplinary action. The school does not accept responsibility for lost or stolen items.

### **Telephone and Cell Phone Usage**

---

Students may use office or classroom telephones for emergency purposes only. To minimize classroom disruptions, students will not be called out of class except in emergencies.

Personal cell phone use during the school day is prohibited. The following progressive discipline procedures will be followed:

- First Offense: Teacher collects phone and returns it to the student at the end of the day. Parent/guardian contacted.
- Second Offense: Teacher turns phone into the office. Student may pick it up at the end of the day. Parent/guardian contacted.
- Third Offense: Teacher turns phone into the office. Phone must be picked up by a parent/guardian. Parent/guardian contacted.

### **Dangerous Strangers**

---

To help promote general child safety in our community, parents are asked to warn their children about the dangers of talking to strangers. Parents are encouraged to notify the Galion Police Department of suspicious strangers loitering around the bus stops, area streets, crosswalks, and around the school. When labeling backpacks and clothing, please put names on the inside. This will help to eliminate strangers' ability to call out a student's name.

### **Advertising Outside Activities**

---

Students or community members may not post outside activity announcements without prior approval from the Superintendent or building principal.

### **Solicitation**

---

All projects (4-H, Rainbow Girls, Girls and Boy Scouts, Baseball, etc.) selling items in our building must be cleared through the principal. All fliers must be cleared through the Office of the Superintendent.

---

### **Delivering Items to School**

To keep classroom disruption to a minimum, please bring items to be delivered to the office. Staff will notify teachers that something has been brought to the office, or it will be delivered to the classroom at designated times throughout the day. Parents are not permitted to go to classrooms during the school day to keep interruptions to a minimum. Your cooperation is appreciated.

### **Outside Food**

---

Parents are not permitted to bring fast food items during lunchtime. Food/drinks are not permitted to leave the cafeteria. Exceptions can be made for medical and/or health considerations with prior approval from the administration.

### **Birthday or Other Parties**

---

Students may bring treats for their class to celebrate a birthday. However, classroom birthday parties are not allowed at school. School personnel will take any treats delivered to the classroom after the tardy bell rings. Parents need to notify the teacher of such occasions in advance.

Invitations to private birthday parties MAY NOT be distributed at school unless the entire class is invited. Class lists/addresses will not be given to parents. This rule is enforced to protect the feelings of all students.

Please refrain from delivering balloons or flowers to the school. Students are not permitted to carry such items on the bus.

### **Classroom Holiday Parties**

---

Students may be asked to bring treats for holiday parties and other celebrations. Teachers will ask for volunteers as needed. The number of treats and parties will be limited. School personnel will deliver items dropped off after the tardy bell rings.

### **Field Trips**

---

We believe field trips are an important part of the educational programming at Galion City Schools as finances permit. All students will be encouraged to participate. Permission slips and current emergency medical information must be provided in Final Forms for students to participate. All current and past school fees must be paid for students to participate. Students may also be excluded from field trips, field days, assemblies, behavior incentive activities, and/or special classroom activities, depending on the frequency and severity of the inappropriate behavior.

The safety of all students will be placed in high regard. If your child poses any such threat to themselves or other children's safety, they may be excluded from participation in field trips. As a parent, you may be encouraged to chaperone your child so that they can participate. You will be notified if your child cannot participate in any field trip.

The following guidelines have been developed concerning elementary field trips in Galion City Schools:

- Field trips allow students to develop socialization skills by spending a day together at a public facility other than our school.
- Field trips are considered an extension of the school day, so we limit parent participation to the number of chaperones required by the facility. If you are interested in being a chaperone, please let the classroom teacher know. If necessary, a lottery system will be used.
- While we recognize every parent would like the opportunity to join us for the trip, we can only take the number of chaperones designated by the facility. We ask that you do not plan on attending alone, as this will deter you from the school field trip experience. We have also learned from our past experiences with field trips and have found that if many parents attend, then some children whose parents cannot attend feel left out.
- Due to liability issues, siblings are not permitted to accompany chaperones on field trips.
- Finally, students will be asked to bring a packed lunch for the day and to wear their most comfortable tennis shoes or walking shoes.

### **Library/Media Center**

---

The Media Center is available to all students every week. Books and reading are the foundation of student success. Children who learn to read do better in school across all areas of the curriculum. Students will be

encouraged to check out books to take home every week. The following rules have been established for the elementary school media center.

1. Students may check out or renew books up to the designated limit.
2. Books may be kept out for only two weeks unless they are renewed. 3. Students will receive a notice of any book that is overdue. When this book is not returned for a period of one month after the due date, a charge will be made for replacing it.
3. Students may not check out materials in their teacher's name without consent. 5. All students are expected to act in a manner suitable to the library. They should be quiet and mannerly.
4. They should also come prepared for the purpose for which they came, whether for a resource or getting a book.
5. Students may be asked to leave if they do not make their selections promptly. 8. Students are asked to take proper care of their library books. Please notify the librarian if the pages are torn or the book is damaged. This will allow the school to repair the book before the damage becomes too great. Students may be charged for damaged books or removed barcodes.

---

### **Lost and Found**

We give unclaimed items to charitable organizations each year. Please mark each child's belongings with his/her name. Throughout the year, please check the Lost and Found cubbies located in the cafetorium.

### **Media Coverage/Student Photographs**

At various times throughout the school day and year, students have their pictures taken by newspapers and other external media for the district website. If you do not wish for your child's picture to be used, please indicate in Final Forms. Video cameras are welcome at school for programs but not in classrooms. No monitor or plug-in cameras are permitted in the classroom. Students will have the opportunity to take school photos two times per year. Videotaping will not occur in the classroom except for instructional purposes only.

### **Recess**

We believe it is a healthy exercise to go outdoors after several hours of sitting in the classroom. We ask for your cooperation in providing proper clothing for your children. Typically, students will go outside for recess unless it is raining, snowing, or temperatures range below 25-30 degrees Fahrenheit with a wind chill. Many factors are taken into consideration when determining if recess will be outside. Please use the above information as a guideline in determining how to dress your child for the outdoors.

Any student who repeatedly abuses playground rules regarding the use of a swing, slide, etc., may lose the privilege of using that particular piece of playground equipment for a specific period of time. Organized sports that continuously result in play that is too physical will be eliminated from playground activities.

### **Special Services / Fine Arts / Physical Education**

Using specialists in art, music, STEM, and physical education enhances our curriculum. Students must participate in all art, music, STEM, and PE classes unless a medical excuse from a physician has been provided. Tennis shoes should be worn on PE days. Students are encouraged to participate in all extra art, music, STEM, and PE programming.
